Positive Proof--Sceptics Read

HAMPDEN Feb. 24, 1856. Messrs. J. Curtis & Co.—GENTLEMEN, I have a word to say to you, in favor of HUNTER'S COUGH SYRUP I have the last year used in my practice two dozen bottles of it which I had of you, and every bottle has done good. For eight years past I have been in the practice of medicine, and I have never found anything so well calculated to operate so favourably in all diseases of the lungs as that is. I have known a hard, distressing cough, cured in forty-eight hours, by using (in broken doses) one bottle of it. One case here in particular, of a man who was supposed to have a seated consumption, troubled with a hard, distressing cough I let him have one bottle, and he had two more of your agent, Mr Whitmore. After using the three bottles, he has become well, and now labours every day. He told me lately, that Hunter's Cough Syrup was the means and only means of his cure. I have given it to infants, to children, to adults and have the pleasure to inform you that it has done good in every case. You need not hesitate to recommend it for a cough, and also all diseases of the lungs. I shall do all in my power to recommend it in the cases above named, not wholly for your benefit, but for the benefit of suffering humanity. Yours truly, BENJAMINE L. POMROY.
