

"NO SUCH WORD AS FAIL." A RESISTLESS REMEDY.

Holloway's Ointment.

CIRCULAR TO THE SICK.

The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; Government sanctions its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties.

These are among the most terrible and agonizing diseases of the muscles, the fleshy fibre and the skin: yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antiseptic to pain and inflammation.

SALT RHEUM, FEVER SORES, STIFF JOINTS.

In cases of Salt Rheum, where medical waters ointions, and every recipe of the pharmacopoeia have proved useless, the Ointment will accomplish a thorough cure. Fever sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS.

A most remarkable and happy change is produced in the appearance of malignant ulcers after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter.

A WORD TO MOTHERS.

The young are the most frequent sufferers from external injuries, and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS.

This Ointment is universally used on board the Atlantic and Pacific whaling fleet as a cure for scorbatic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

Both the Ointment and Pills should be used in the following cases:

- Bunions, Mercurial Eruptions, Salt Rheum, Burns, Chapped Hands, Sores, Chilblains, Swollen Glands, Sore Legs, Fistula, Tetter, Sore Breasts, Gout, Ulcers, Sore Heads, Lumbago, Venereal Sores, Sore Throats, Piles, Skin Diseases, Sprains, Rheumatism, Wounds of all kinds, Stiff Joints, Ringworm, Sores of all kinds.

Positive Proof--Sceptics Read

HAMPDEN Feb. 24, 1846.

Messrs. J. Curtis & Co.—GENTLEMEN,

I have a word to say to you, in favor of HUNTER'S COUGH SYRUP I have the last year used in my practice two dozen bottles of it which I had of you, and every bottle has done good. For eight years past I have been in the practice of medicine, and I have never found anything so well calculated to operate so favourably in all diseases of the lungs as this. I have known a hard, distressing cough, cured in forty-eight hours, by using (in broken coughs) one bottle of it. One case here in particular, of a man who was supposed to have a seated consumption, troubled with a hard, distressing cough I let him have one bottle, and he had two more of your agent, Mr Whitmore. After using the three bottles, he has become well, and now labours every day. He told me lately, that Hunter's Cough Syrup was the means and only means of his cure. I have given it to infants, to children, to adults and have the pleasure to inform you that it has done good in every case.

You need not hesitate to recommend it for a cough, and also all diseases of the lungs. I shall do all in my power to recommend it in the cases above named, not wholly for your benefit, but for the benefit of suffering humanity.

Yours truly,

BENJAMINE L. POMROY.
