RADWAY'S READY RELIEF. PAIN.

No Person has ever used Radway's Ready Relief who has been tormented with pain, whether caused from accidents, or external injuries, or from disease and bad treatment, without deriving a special and lasting benefit in less than 15 minutes after its application.

One application externally, or a few drops taken internally, will instantly free the sufferer from the most violent and terrible pains, and restore the weak feeble, and prostrated frame to strength and vigor. Radway's Ready Relief has been before the public over six years. It has cured the most obstinate cases of RHEUMATISM, PARALYSIS, LUMBAGO, GOUT, NEURALGIA, SWOLLEN JOINTS, BURNS, SCALDS, &c., in the most marvellous quick time. Giving unto the bed-ridden victims of some cruel complaint, ease and comfort by one or two applications, in case where the skill of the best physicians in the country and the most popular medicines in use had failed in giving even temporary relief. No matter what the matter may come from, Radway's Ready Relief will surely relieve the system from its cruel pangs, and speedily restore the invalid to health, ease and comfort.

RHEUMATISM.

One single application externally of your Ready Relief enabled me to rise. I am now a well man.

Positive Proof—Sceptics Read

HAMPDEN Feb. 24, 1846.

Messrs. J. Curtis & Co.—GENTLEMEN,

I have a word to say to you, in favor of HUNTER COUGH SYRUP I have the last year used in my practice two dozen bottles of it which I had of you, and every bottle has done good. For eight years past I have been in the practice of medicine, and I have never found anything so well calculated to operate so favourably in all diseases of the lungs as this. I have known a hard, distressing cough, cured in forty-eight hours, by using (in broken doses) one bottle of it. One case here in particular, of a man who was supposed to have a seated consumption, troubled with a hard, distressing cough. I let him have one bottle, and he had two more of your agent, Mr Whitmore. After using the three bottles, he has become well, and now labours every day. He told me lately, that Hunter's Cough Syrup was the means and only means of his cure. I have given it to infants, to children, to adults and have the pleasure to inform you that it has done good in every case.

You need not hesitate to recommend it for a cough, and also all diseases of the lungs. I shall do all in my power to recommend it in the cases above named, not wholly for your benefit, but for the benefit of suffering humanity.

Yours truly, BENJAMINE L. POMROY.
