FOR A MARVELLOUS AGE!

## Holloway's Ointment.

THE GRAND EXTERNAL REMEDY.

By the aid of a microscope we see millions of little openings on the surface of our bodies. Through these, this Ointment, when rubbed on the skin, is carried to on organ of inward park. Diseases of the kidneys, disorders of the liver, affections of the heart, inflamation of the lungs, asthma, coughs, and colds, are by its means effectually cured. Every housewife knows that salt passes freely through fone or meat of any thickness. This healing Ointheat f r more readily penetrates through any bone or fisshy part of the living body, curing the most dangerous neward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so anch for the cure of diseases of skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the Globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.
