

A MARVELLOUS REMEDY! FOR A MARVELLOUS AGE!

Holloway's Ointment.

THE GRAND EXTERNAL REMEDY. By the aid of a microscope we see millions of little openings on the surface of our bodies. Through these, this Ointment, when rubbed on the skin, is carried to an organ of inward part. Diseases of the kidneys, disorders of the liver, affections of the heart, inflammation of the lungs, asthma, coughs, and colds, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment penetrates more readily through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.

ERYSIPELAS, RHEUMATISM AND SCORBUTIC HUMOURS.

No remedy has ever done so much for the cure of diseases of skin, whatever form they may assume, as this Ointment. Scurvy, Sore Heads, Scrofula, or Erysipelas, cannot long withstand its influence. The inventor has travelled over many parts of the Globe, visiting the principal hospitals, dispensing this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.

SORE LEGS, SORE BREASTS, WOUNDS AND ULCERS.

Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swellings, and tumours. Professor Holloway has despatched to the east large shipments of this Ointment, to be used in the worse cases of wounds. It will cure any ulcer, glandular swelling, stiffness, or contraction of the joints, even of 20 years standing.

PILES AND FISTULAS.

These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot. Both the Ointment and Pills should be used in the following cases:—

- Bad Legs, Chicago-foot, Fistulas, Bad Breasts, Chilblains, Gout, Burns, Chapped hands, Gladrswellings, Bunions, Corns (Soft), Lumbago, Bites of Moscho-Cancers, Piles, toes & Sand-flies, Contracted and Rheumatism, Chicago Bay, Stiff Joints, Scalds, Sore-throats, Elephantiasis, Sore Nipples, Skin-diseases, Scoury, Sore-heads, Tumours, Ulcers, Wounds, Yaws.

Positive Proof--Sceptics Read

HAMPDEN Feb. 24, 1846.

Messrs. J. Curtis & Co.—GENTLEMEN, I have a word to say to you, in favor of HUNTER'S COUGH SYRUP I have the last year used in my practice two dozen bottles of it which I had of you, and every bottle has done good. For eight years past I have been in the practice of medicine, and I have never found anything so well calculated to operate so favourably in all diseases of the lungs as that is. I have known a hard, distressing cough, cured in forty-eight hours, by using (in Broken doses) one bottle of it. One case here in particular, of a man who was supposed to have a seated consumption, troubled with a hard, distressing cough. I let him have one bottle, and he had two more of your agent, Mr Whitmore. After using the three bottles, he has become well, and now labours every day. He told me lately, that Hunter's Cough Syrup was the means and only means of his cure. I have given it to infants, to children, to adults and have the pleasure to inform you that it has done good in every case. You need not hesitate to recommend it for a cough, and also all diseases of the lungs. I shall do all in my power to recommend it in the cases above named, not wholly for your benefit, but for the benefit of suffering humanity.

Yours truly, BENJAMINE L. POMROY.

Old Men, Read this.

Forty years ago CHARLES BARKER of Methuen, Mass., enlisted in the United States Service, and was stationed at EASTPORT, in the State of Maine. He soon became discontented, and deserted into the British Dominions, and report says he was seen in the vicinity of Miramichi, not far from the time of the Great Fire in that place.— Since that time his friends have not been able to get any information in regard to him.

He was the Son of Stephen Barker, Esq., and if now living, is 66 years of age. He was a tall, good looking man, with dark hair and eyes, nose rather broad and large. He occasionally worked at Shoemaking.
