

INDIA.

Latest News.—We collect from the details furnished by the Bombay mail that the hot weather campaign has commenced in right earnest, but we are happy to say that so far there are no reports of sickness or disease amongst our troops in any part of India, except at Cawnpore, where small-pox prevails, and has proved fatal, as our readers are aware, to one distinguished officer—Sir WILLIAM PEARL. As regards the progress of hostilities, we learn that Oude is still in rebellion—that bands of mutinous Sepoys and an attendant rabble have scattered themselves over the Doab—and that, despite the successes of ROSE and WHITELOCK in Bundelcund, the rebels are increasing in that province in activity and daring. Towards the close of April our troops sustained two signal reverses, one in Oude and one in Behar. On the 20th or 21st of that month KORN SINER's force reached, we are told, the jungles of Judespore. On the following night a portion of the Arrah garrison sallied out to attack him. This force, commanded by Captain LEGRAND, and composed of about 200 men of the 35th Regiment, and 100 Sikhs, with two 12-pounder howitzers, was overpowered and repulsed with loss. The other disaster occurred at a place called Rhodowon, on the line from Lucknow to Rohilcund, and about fifty miles to the west of the former place. The place attacked appears to have been much stronger than was supposed. The assault was attempted by the 42nd Highlanders, supported by the 4th Punjab rifles, who advanced, we are told, with "a desperate but unavailing gallantry." In this affair we lost that distinguished officer Brigadier *Adrian Hope*, and Lieutenants *Willoughby Douglas*, and *Bramley*, of the 42d, and *Harrington*, of the Artillery; of the entire force nearly 100 is killed and wounded. So much for our reverses. On the other hand, we read that three British columns have entered the Province of Rohilcund at different points, overturning all opposition, capturing the places of strength, and pressing onwards towards Bareilly, the capital. The enemy, covering Calpee—one of the strongest places in India—have been routed by Sir H. ROSE, while General Whitecock has defeated the Nawab of Banda, in the vicinity of his town, which is now in the occupation of our troops. In this engagement the superiority of the enemy in numbers is said to have been six to one, yet they were routed with the loss of four guns and 500 killed. If to all this be added the fact that our most formidable antagonist, Koor Singh, is dead, we may be justified in accepting the conclusion of the Bombay correspondent of a temporary, that "the good news outweighs the bad, even though the temper of the people of Oude be taken to represent a campaign in that country next cold weather." It is not a little remarkable that we have no authentic intelligence in the Bombay journals of the effect of the celebrated proclamation on the population of Oude.—*London Shipping Gazette.*

Genital Diseases.

Seventy Engravings. Price 1s. through all

postage stamps.

THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, infection, effluvia, &c.; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications; rules for self-treatment, &c. By WALTER DE ROOS, M.D., of the Ecole de Medecine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c. &c. &c. 10, Berners-street, Oxford-street, London. Hours for personal consultation daily from 1 till 4, Sunday excepted.

Sold in Dublin by Berry, 162, Great Britain street; Edinburgh, Robinson, 11, Greenside st.; Glasgow, Love, Bookseller, and by all the Agents.

From long practical observation of the treatment pursued in the various institutions of London and Paris, for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country, in which the lamentable neglect of the diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c., have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally-qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration.

Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or bill on a London House for £5 in order to have a packet of medicines sufficient to meet the exigencies of the case, sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

DR. DE ROOS' GUTTE VITE; OR LIFE DROPS, are the great remedy for Spermatorrhoea, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury sarsaparilla, &c. are so often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 12s., and four times the quantity at 3s. per bottle of the Agents below. The £5 packages containing 12 lbs. quantities, (by which £1 12 are saved,) will be sent from the Establishment only, on the receipt of the amount per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "WALTER DE ROOS, LONDON," are printed in White letters on the Stamp affixed to the above, by order of HER MAJESTY'S HONOURABLE COMMISSIONERS, to protect the public against fraud, and to imitate which is felony.

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidney and Urinary Organs generally. Possessing tonic Properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubeba, and all such dangerous medicines have utterly failed.—2s. 9d., 4s. 6d., 11s. and 33s. per box, of the Agents below, or post free on receipt of the amount by Dr De Roos, 10, Berners Street, Oxford Street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

Sold at Langley's Drug Store, Holles-street, Halifax, Nova Scotia; by Hazard, Charlottetown, Prince Edward Island; Ashton, Newmarket, Sydney, Cape Breton; Ashton, Richardson & Co., Mount Road, Madras; Hulst & Nephew, Agra; Treacher & Co., Poonah and Kurrachee; Smith & Co., Sunde; Dodsworth & Co., Clark, Romer & Co., and Gawin & Co., Colombo and Candy; Lyman & Co., Montreal; Pestonjee & Co., 1, Military Square, Bombay; R. Ross, Laboratory, Falmouth, and Lawton, Advertiser Office, Kingston, Jamaica; Beichmann and Taitt, Port of Spain, Trinidad; Hengan, Weekly Register Office, Antigua; Haylock, Belize, Honduras; West, Palmer & Co., Kingston, Canada; Strickland & Co., Mobile, Alabama; Stamps, Constantinople; Paisley & Fryer, 334, George-street, Sydney, and Ford, Chemist, Swanston-street, Melbourne, Australia, of whom also may be had "THE MEDICAL ADVISER," or should difficulty arise in procuring any of the above, enclose the amount by draft or otherwise to 10, Berners Street, Oxford Street, London, and they will be sent securely packed per return.
