

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF
Colds, Coughs, and
Hoarseness.

BUFFALO, MASS., 20th Dec., 1855.
Dr. J. C. Ayer: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. I have used it in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints.
EBEN KNIGHT, M.D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it to be the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.
BROTHER AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.
HIRAM CONKLIN, M.D.

AMOS LEE, Esq., of Monterey, Cal., writes, 3d Jan., 1856: "I had a tedious influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicine is the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedy, as the poor man's friend."

Asthma or Phthisis, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.
Sir: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.
HENRY L. PARKS, Merchant.

A. A. RAMSEY, M.D., of Albia, Monroe Co., Iowa, writes, Sept. 6, 1856: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.
DOCTOR AYER: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours, with gratitude and regard,
ORLANDO SHELBY, of Shelbyville.

Consumptives, do not despair till you have tried Ayer's Cherry Pectoral. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed to their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish and disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Madness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative power. The sick want the best and there is for them, and they should have it.

DR. MORSE'S INDIAN ROOT PILLS

CAUTION.

Merchants and Traders will be on their guard and not be imposed upon by a Counterfeit of Morse's Indian Root Pills, signed A. B. Moore. All genuine Indian Root Pills have the name and signature of A. J. White & Co. on each box.

DR. MORSE the inventor of MORSE'S INDIAN ROOT PILLS, has spent the greater part of his life in traveling, having visited Europe, Asia and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health and life depended upon this vital fluid.

When then the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness, and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific which opens the pores of the skin, and assists nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expecto- rant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked and tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain, and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cheer and brighten your days.

CAUTION.—Beware of counterfeit signed A. B. Moore. All genuine have the name of A. J. White & Co. on each box. Also the signature of A. J. White & Co. All others are spurious.

The Medicine of the Million. PHILOSOPHY AND FACT

HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quality and quantity of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.

BOWEL COMPLAINTS.

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhoea, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The local debility and irregularities which are the especial annoyances of the weaker sex, and which when neglected, always shorten life, are relieved for the time being, and prevented for the future to come, by a course of this mild but thorough purgative.

Holloway's Pills are the best remedy known in the world for the following diseases:
