

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF
Colds, Coughs, and
Hoarseness.

BRIMFIELD, MASS., 20th Dec., 1855.
Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints.

EBEN KNIGHT, M.D.
A. B. MORTLEY, Esq., of UTICA, N. Y., writes: "I have used your PECTORAL myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MASS., Feb. 7, 1856.
BROTHER AYER: I will cheerfully certify your PECTORAL is the best remedy we possess for the cure of Whooping Cough, Croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M.D.
AMOS LEE, Esq., MONTEREY, ILL., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your PECTORAL by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.
SIR: Your CHERRY PECTORAL is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKS, Merchant.
A. A. RAMSEY, M.D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your CHERRY PECTORAL for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the CHERRY PECTORAL affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your CHERRY PECTORAL has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours, with gratitude and regard,
ORLANDO SHELBY, OF SHELBYVILLE.
Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all round us bespeak the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed to their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the everyday complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use, and certificates of their cures of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant Medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, infection, climate, &c.; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications; rules for self-treatment, &c. By WALTER DE ROOS, M.D., of the Ecole de Medecine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., &c., 10 Berners street, Oxford-street, Lond. n. Hours for personal consultation daily from 1 till 4, Sunday excepted.

Sold in Dublin by Berry, 162, Great Britain street; Edinburgh, Robinson, 11, Greenside st.; Glasgow, Love, Bookseller, and by all the Agents.

From long practical observation of the treatment pursued in the various institutions of London and Paris, for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country, in which the lamentable neglect of the diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c., have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally-qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration.

Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or bill on a London House for £5 in order to have a packet of medicines sufficient to meet the exigencies of the case, sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

DR. DE ROOS' GUTTÆ VITÆ; OR LIFE DROPS, are the great remedy for Spermatorrhoea, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business. Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury sarsaparilla, &c., are so often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 12s., and four times the quantity at 3s. per bottle of the Agents below. The 45 packages containing 12 lbs. quantities, (by which £1 12 is saved,) will be sent from the Establishment only, on the receipt of the amount per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "WALTER DE ROOS, LONDON," are printed in White letters on the Stamp affixed to the above, by order of HER MAJESTY'S HONOURABLE COMMISSIONERS, to protect the public against fraud, and to imitate which is felony.

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidney and Urinary Organs generally. Possessing tonic Properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubeb, and all such dangerous medicines have utterly failed.—2s. 9d., 4s. 6d., 11s. and 22s. per box, of the Agents below, or post free on receipt of the amount by Dr. De Roos, 10 Berners Street, Oxford Street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent.

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

The Medicine of the Million. PHILOSOPHY AND FACT.

HOLLOWAY'S PILLS.

THE EXCITING CAUSE OF SICKNESS.

The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach is its manufactory the veins its distributors, and the intestines the channel through which the waste matter rejected in its productions is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.

THE NATIONAL COMPLAINT.

Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary preparations, it yields readily and rapidly to this searching and unerring remedy.

BILIOUS AFFECTIONS.

The quality and quantity of the bile are of vital importance to health. Upon the liver the gland which secretes this fluid, these Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Hemorrhages, and all the varieties of disease generated by an unnatural condition of the organ.

BOWEL COMPLAINTS.

Unless the bowels perform their functions properly, the whole body suffers. Tens of thousands die annually of Dysentery, Diarrhoea, Chronic Constipation, and other diseases of these waste pipes of the system. The effect of the Pills upon all intestinal disorders, whether casual or epidemic, is a phenomenon in medicine. By following the printed directions, the most alarming cases of bowel complaint are promptly controlled.

A WORD TO FEMALES.

The local debility and irregularities which are the especial annoyances of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being, and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following diseases;

Asthma	Debility	Inward Weakness
Bowel Complaint	Fever and Ague	Lowness of Spirits
Coughs	Female Complaints	Piles
Colds	Headaches	Secondary Symp-

Costiveness	Indigestion	Veneral Affec-
