### THE FOOTBALL TRIP

The F. H. S. fifteen and about twice as many followers left for the "Foggy City" on Friday, the 3rd of October, the usual time of departure at 5 p.m. being postponed to 10 p.m., as Captain Babbitt was making his adieus to the maid.

The entire trip was a great success, in fact the boys declared it the best they had ever been on. Perhaps the double win was the cause of this; and rightly, because for the first time in the history of the school has F. H. S. won both games away from home.

At 4.20 Referee Bridges blew his whistle and the field was cleared for action, St. J. H. S. taking the kick-off with the sun in their eyes. The Fred-erickton boys were out to win, and realizing that if the trophy were won by them this year, it would be theirs permanently, rushed into the game with a vim. Inside of four minutes Simpson shoved across the first tally. The St. John boys seemed dazed, while F. H. S. continued to score, Goodspeed going over the line five minutes later, closely followed by Simpson. Babbitt converted the second try, and the score stood 16—0, with St. J. H. S. at the wrong end of it.

St. John kept up its reputation for a strong come back in the second period, and F. H. S. was forced to touch for safety. Following hard on the drop-out, Douglass scored from the scrim, while Babbitt placed the ball between the poles, with the score 16—0. Boyd and Babbitt relieved with long punts, and from the throw-in Goodspeed scored after a fine run, Hewitt shortly afterwards crossing the line, after the ball had travelled the length of the half-line and back again. Babbitt converted both tries nicely, bringing the score up to 26. With 2 minutes to go, St. John fought vainly to score, and the period ended 26—0.

After the game King Street was the scene of a parade by the F. H. S. boys, who after changing, were royally entertained at a banquet in the Y. M. C. A. by the St. John High girls.

F. H. S., 15—R. C. S., 0

Elated with their success the previous day, but not over-confident, the F. H. S. boys arrived at Rothesay, after "Bill" Ru-t-r and "To-y" Bo-d had been forcibly restrained from visiting Netherwood also.

The boys were tired from the game the day before, but succeeded in running up a score of 15 points to their opponents' nil. The scoring was
