The football boys have certainly done their part for the honor of F. H. S. They have won for us the Provincial and Maritime Championships. This is the fourth successive year that the F. H. S. Football team have been the Maritime Champions, and we are very proud that they were able to keep up the reputation this year.

We are all looking forward to the hockey and basketball games, and hope to see the High School teams come out on top again. In the meantime let us save our voices so that they will be in good trim to cheer at the rest of the games this year.

GIRLS' BASKETBALL TEAM

Girls, what is the matter with us that we can't get up a Basketball team? Several years ago the girls of F. H. S. used to practise in the Armories, and if they had enough energy to get up a team without even a High School gym to play in I am sure that we ought to be
