

At half past two we drove out to the Allison Football Grounds, or rather swamp, and there found many F. H. S. girls. Muriel, Helen and others came down by train, and Tim's uncle brought down a car load. The F. H. S. rooters showed the St. John girls and boys how we yell up here in Fredericton, and also gave them a good exhibition of horn blowing. Then most important of all our team showed them how to win a football game. At half time we regretted leaving our rubbers in the car and, after much coaxing, "Spec" condescended to save "Smitty" and Louise from pneumonia by getting their rubbers.

After the game we sped for King street and, with the rest of our rooters formed a snake dance, which was headed by Andy. St. John people never saw one before by the way they gazed. Jack Riley earned a week's pay from the Street Car Company by pushing the cars up the hill.

When the snake dance was over we ate supper, and then the ever-restless Louise with "Aud" and "Marg" set out to shop. Louise bought a vanity case for her mother (we wonder who used it). Finally we started for home, tired and hoarse but very happy. We had two punctures on the way which prevented us from reaching Fredericton in time to take part in the snake dance there, but we had one good one at least. With one final "An' a boo-baa!" we went home to bed.

We thank Miss Gerow for chaperoning us and the weather man for smiling on us.

---

## F. H. S. Dances

The first High School Dance of the year was held in the gymnasium Saturday night, October 17th, after the St. John banquet. There was a fairly large number present, many of the St. John team attending. The proceeds of the dance (they were so large) were for this most excellent paper.

On Friday night, November 13th, we had our second dance and only a small number attended. The proceeds went to the Football Team. We thank Mr. McFarlane for chaperoning both dances.

It seems a pity that we can't raise any money at our dances because we pay it all out for expenses. We expected to hold our dances in the Assembly Hall where the piano is and have only the expense of the orchestra, but to our great surprise the Trustees refused us the use of the Assembly Hall for dances. Since the piano
