

of the University), arrived with red noses from a different source than ours. These were denied admittance by our principal and went their way grumbling. However, a few outsiders gained admittance and helped to make the proceeds the grand total of \$43, which is to go to the Hockey Team. To quote a well known newspaper we "tripped the light fantastic" for several hours, though the little boys and girls of "C" Class had long since grown drowsy.

Mr. MacFarlane called a halt at midnight and we wandered home not at all like the proverbial party, which always ends in "the wee sma' hours" of the morning.

Sporting Notes

The Basketball squad started practices during the Christmas Holidays under the "watchful" eye of Mr. Cass, our coach; but owing to the great physical strain the boys were under (chiefly after Christmas and New Years) the practices did not get properly under way until school re-commenced. Jack Babbitt strained his knee-cap which he dislocated last year in the first game of the season, and will be forced out of the game this season. But to offset these difficulties, the boys still keep that old F. H. S. spirit going, and with the able help of Coach Cass we should have as formidable a team in the league as last year; and with a little less hard luck than last year, that seemingly unattainable cup which St. John now holds will be ours.

On Saturday, Jan. 17, a basketball and hockey meeting was held at the St. John Y. M. C. A. Mr. Covey, Honorary President of the Maritime Branch of the A. A. U. of C., presided, and the age limit of 19 years for all High School students competing in sports went into effect with no objections by the representatives of the different schools. The following schedules were drawn up:
