

## F. H. S., 9—WINDSOR H. S., 2

On Thursday, Jan. 15, Windsor High invaded New Brunswick to play F. H. S. for the championship of the Maritime Province. While the game was not up to our expectations of what a Maritime Championship game should be, it certainly wasn't the fault of the F. H. S. boys; for they showed fine form throughout the game, and outclassed the Nova Scotians at all times, although the Nova Scotians were game and clean sports.

Windsor started off with a whirlwind rush, and in a few minutes scored their first goal. The game began to get very exciting, for everyone looked for F. H. S. to "come through," which they did, and before the first period ended, the score stood 3-1 in favor of F. H. S.

During the second period Windsor's captain, MacDonald, received an injured elbow, which forced him to leave the ice. F. H. S. took full advantage of this, and scored six more goals before the whistle blew. Windsor never proved dangerous after the first rush, while F. H. S. showed fine combination, and secured their well-deserved revenge on the Nova Scotians, who snatched the 1923 Maritime title from their hands by one lone tally.

Welcome to the Maritime Championship Hockey Cup. May it have as long and secure a resting place in the old F. H. S. as the Maritime Football Cup has had, and, we hope, will continue to have. The following are the line-ups:

F. H. S.		Windsor
Hickson	Goal	Doran
Keenan		MacDonald
	Wings	
Lynch		Brownell
Sterling	Centre	Bacon
Sten		Spence
	Defence	
Parker		Mount
Ryan		
	Substitutes	
Rutter		

F. H. S. has lately lost a popular and valuable member who will be greatly missed by everyone; and particularly in the school athletics. (Sympathy is also extended to the feminine student body.)

We refer to Mac Boyd, who left Fredericton on December 19 to live with his parents in Milltown. Mac was captain of our basketball team last year, and his loss will be chiefly felt by this year's team. At the banquet given to this year's football team, celebrating one of the most successful football seasons in the history of F. H. S., Toby was presented with a gold ever-sharp by the team. We wish him every success in his new home.
