

Still another feature for which credit goes to Mr. MacFarlane, is the Friday afternoon entertainments. These consist of various numbers by the pupils, the programmes being arranged by the teachers. We are indeed fortunate in having such an opportunity of accustoming ourselves to appearing before an audience. A High School orchestra was also formed under the leadership of Mr. Burden.

The girls of our class have also much to be proud of. They have held several successful food sales, and have given the teams many banquets which were greatly appreciated. This year, after having been talked about for a long time, a girls' basketball team was organized and met with good success.

The Chanticleer has experienced a very successful season. Instead of the old policy of publishing at irregular intervals, it was decided to edit the paper four times during the year. This was done and the success of the paper speaks well for its staff.

Our Cadet Corps, under the direction of Mr. Page and Sergeant Oliver has led the province for several years. Last year our shooting team won the cup offered for first place in the province in the King George meet.

Members of the School Board: We wish to thank you for your efforts which have given us this magnificent building. The new class rooms, the up-to-date laboratory, and this splendid auditorium have all been of great assistance to us in our last year's work. And the gymnasium with the shower baths shows that you have not forgotten that the body must be developed as well as the mind.

Citizens of Fredericton: We take this opportunity of expressing our appreciation of the sacrifice upon your part to give us this building. We are also greatly indebted to you for the generous support you have given our athletics and school paper.

Mr. Principal and Teachers: Thanks can never sufficiently repay our debt to you. You have directed our course, and enabled us to attain this honor to-night. At all times you have set us a wonderful example. You have supported our athletics, and have always been ready to give us extra help in our school work.

Fellow Students: To you we have only to say, "Carry On." Next year you will take our place and in your hands will lie to a large extent the future of the school. You will have no easy task. You are losing the larger portion of your teams. You will have
