

MARGARET INCH SMITH

Better known as Smitty, came into High School from Smythe Street School. Smitty is the "star" defence on the "A" Class Girls' Basketball Team and played with all her might at the league games between Marysville and Fredericton High. Besides being a good sport Smittie is a good student. She will enter Normal School in the fall.

SADIE VICTORIA SMITH

Came to F. H. S. from Devon. She is noted especially for her giggle and she helps to liven up the High School functions. She is going to Normal School next year. She is a Commercial student and will probably become a business woman.

THELMA MILDRED GRIFFITHS

Was formerly a pupil at Model School. Tim stands high in her class and has always been willing to play for our dances. She is a general favorite and enters into all the social activities of the school. Tim will study nursing.

GEORGIE ROSE HAMILTON

Was, previous to attending F. H. S., a pupil at Forest City. She is a good worker and a willing helper. Georgie is a member of the Commercial class and will seek fame in the business world.

ALBERTA MARION HAZLETTE

From C. S. S. came Abbie and hit High School with a bang and has been banging away ever since. Full of fun Abbie has been a great favorite and has had many admirers. She was star forward on the "A" girls' basketball team. Normal claims her next year.

DOROTHY MONICA HUGHES

Entered High School from St. Dunstan's. Dot has made many friends during her course and has always been a good helper and a good sport. Dot intends to go to U. N. B. but we fear she will never arrive on time for classes in the morning.

CATHERINE CECILIA JONES

Before entering High School went to Charlotte Street School. Kay is one of the best students in our class and will graduate well. She has become quite a literary person being editor-in-chief of the
