

BERTHA LOUISE WHITE

Is another of our famous Marysvillites. Bertha has always taken a great interest in the school's social life and has turned out to all the games but in spite of this she is a first division student. Next year will find Bertha a Normalite.

MABEL AMELIA WILLIS

Formerly attended the school at Nashwaaksis. She has taken no active part in school life but has devoted her time to her studies. She has made many friendships during her course at F. H. S. She will attend Normal School in the fall.

KATHLEEN IRENE YERXA

Attended Smythe Street School before coming to High School. Kay is a great favorite and has many male admirers, Andy being the chief one at present. She will study to be a nurse.

MARY AUDREY YOUNG

Was formerly a student at Model School. A good worker and helper, she has made many friends who wish her luck at Normal.

JAMES FREDERICK MAXWELL

Fred entered F. H. S. from Model School, ranking third highest on the Entrance Papers. Since then Maxwell has made some good marks at F. H. S. Fred also made the basketball and football teams. We may meet him at U. N. B. next year.

LAWRENCE FREDERICK HASHEY

"Hash" came to join the happy throng from Model School. He ranks high in his studies and has made the basketball team for two years. Next year will find him at U. N. B.

TRAVIS SLIPP DOUGAN

"Squank" hails from Harvey Station. He joined us from Smythe. At F. H. S. he has had a great sporting record, making the three basketball teams, three track teams, and two football teams, being captain of the basketball team in his second year. "Squank" also throws a wicked baseball. His college course is undecided.

DONALD ALEXANDER GREY FORBES

Grey joined us from the Nashwaak Valley. He is a sheik and a philosopher of no mean repute. Unfortunately Grey had to leave
