

FREDERICK RAYMOND SMITH

Smitty is another who forsook the town of Devon for F. H. S. He is a very popular and likeable fellow. Also he made two champion football and league hockey teams. Next will find him at the U. N. B.

DONALD BEMISTER RICE

Don joined us from St. J. H. S. while in our senior year. He soon fitted into our class and became a good student. He will probably attend Mt. Allison next year.

SANFORD STERLING MUNRO

Sterl is a product of Model School. Unfortunately Sterl is not able to enter sports, yet he is one of the best sports in the class. He has twice won the I.O.D.E. Cup for shooting and also the Strathcona cup. Sterl is very popular and has provided our class with amusement during our F. H. S. course. He intends to go to U. N. B.

KENNETH EASTBURN HALL

Ken came to us from C. S. S. He has been a hard working member of our class and will graduate first division. Ken held the positions of business manager of the Chanticleer and manager of the hockey team, in his senior year and performed his duties in an excellent fashion. His future is undecided.

CECIL WILLIAM GUTHRIE

Cecil joined us from down river. He is very popular with the boys and too popular with the girls. He has a record of never missing a F. H. S. game, either at home or away, which shows his loyalty to the teams. He is a good student, standing second highest in his senior year and thus winning the "prize of gold." He shall take up business work in the near future.

RALPH WILLIAM MUNROE

"Mundy" came to us from Taymouth. He is an excellent poet and was chosen class prophet for his section of the boys. He stands high in his class and is very popular with the boys. We will probably meet him selling Latin and French translations at Taymouth.
