

been under the care of a physician six months. The Cramp and Pain Killer was the first thing that afforded him any permanent relief.

David Barker was cured of a Rheumatic Pain in the Knee, after three or four days and nights of intense suffering, by one bottle of the Cramp and Pain Killer.

T. H. Carman—suffering from Cramp in the Limbs, the cords of his legs knotting up in large bunches, was cured by the Cramp and Pain Killer. At another time a few applications entirely cured him of an exceedingly bad Rheumatic Affection in the Back.

A young lady, fifteen years of age, daughter of John W. Sherwood, was long afflicted with SPINDLE COMPLAINT, after being reduced to the verge of the grave, was cured by the Cramp and Pain Killer.

John Buckman, after having suffered every thing but death, from Rheumatism which seemed to pervade almost every part of the body, was cured by the Cramp and Pain Killer.

Mrs. Davis was cured by it, of Bilious Cholera.

A man in Portland was also cured by it of Bilious Cholera, when his life was well nigh despaired of.

Hundreds have been relieved by it of tooth ache, ague in the face, &c.

N. B.—Be sure to call for CURTIS & PERKINS' Cramp and Pain Killer. All others bearing this name are base imitations. Price 12 $\frac{1}{2}$ , 25, 37 $\frac{1}{2}$  cents per bottle, according to the size.

### DIED.

Here, on Thursday last, Jane, wife of Colonel A. W. Light, late commanding II. M. 25th Regiment, aged 68 years.—Accompanied by her gallant husband, she had but very lately come here on a visit to her son, A. L. Light, Esq., Engineer in the St. Andrews and Quebec Railroad line, but no lady, within the 30 years close acquaintance we have had with the County, and within so short a period, ever so completely, by her urbanity, won the affection and respect of the entire community. Her sudden death is a general source of regret. With her gallant husband and respected son we deeply sympathize on so mournful an occasion. Mrs. Light was a native of Northumberland, England.

THE COLONIAL LIFE ASSURANCE COMPANY has been established for the purpose of affording to the Colonies of Great Britain the advantages of Life Assurance, and its regulations have been so framed as to attain that object in the most efficient manner under the most liberal covenants. The progress of the business has been attended with complete success, and the Company has obtained the entire confidence of those whose patronage it was its object to seek.

From the wide basis of its constitution, and the extent of its resources, the Company affords advantages which no local institution can confer; and it has good ground for asking public preference and support over other British Offices doing business in the Colonies, not only with reference to the facilities which it affords, by receiving premiums and paying claims in any British Colony where its Policy Holders may reside, but on the ground that, in seeking business not being mere extension of or addition to a home business, but as part of its original scheme and intention.

The Profits of the Company for the period from 1840 to 1854, fall to be divided as at 25th May, 1854, and parties who assure during the period will participate.

Every information as to the Company, and its terms and conditions for Assurance, can be had on application to DUNCAN ROBERTSON, Secretary to the Local Board in St. John, New-Branswick.
