

PLANS OF THE EXHIBITION BUILDINGS.

These plans are not published as official, but are complete and correct up to the hour of going to press (Thursday noon). They will be revised and corrected from day to day and published in the daily edition of PROGRESS as a guide to exhibitors and visitors.

The Daily Edition of PROGRESS will be published every afternoon and evening in the Exhibition Buildings (Machinery Hall) while the Exhibition is open. Subscribers, Advertisers, and all who want to see us can call on us there.
