Wrought Iron Oven Range

FOR ANTHRACITE OR BITUMINOUS COAL.

Its operation is perfect, and it is guaranteed to be a quick and even baker, more so than either wrought or cast iron ranges of ordinary

Having a large oven on each side of the firebox, it has advantages not possessed by single oven ranges, as both meats and pastry can be cooked at the same time without detriment to either. For that class of trade that demands the best, it at once commends itself, and will be appreciated by the trade for which it is intended.

This magnificent range has been specially made to meet a long felt want, as one which is suitable for large families, restaurants, hotels, boarding schools, hospitals, etc.

What SCHOFIELD & CO. say: We have much pleasure in stating that the Caligraph purchased from you has been in constant use in our office for several years, and is still in good order. We consider it invaluable as a time-saver.

REV. C. G. McCULLY writes: A point of special value in the Caligraph, resulting from the absence of shifting keys, is the readiness with which original composition may be executed. From my experience, and that of many personal friends using the Caligraph, composition soon comes to be executed with greater readiness than with the pen. So great do I deem its utility that I would purchase a machine every year rather than be without it.

On Friday evening of last week lady Tilley entertained a number of young people at one of her enjoyable angling parties. It was a pleasant change from euchre of which there has been such a surfeit in St. John for the last few years, that it is time the craze for it was dying out.

St. John has lost one of its favorite young ladies, by the marriage of Miss Mary MacMillan, youngest daughter of the late Hou. John MacMillan, whose marriage with Mr. Charles F. Tuck of Winnepeg, hour on Wednesday morning. On account of the late bereavement of the family, in the death of Mr. Thomas MacMillan, the wedding was as quiet as possible. The bride (who may be counted among St. John's prettiest girls) was attended by one bridesmaid, Miss Botsford (of Toronto), while Mr. Tucker (of Boston), acted as best man. The ceremony was performed by Rev. Dr. Macrae, and the choir sang two wedding hymns. The bride was given away by her brother-in-law, Mr. James A. Belyea, and wore a travelling costume of grey cloth, with hat to match. The bridesmaid was similarly attired. After partaking of breakfast at the residence of Mr. and Mrs. Belyea, Garden Street, the happy couple left by the American boat for Boston, where they will spend a short honeymoon, before going to their home at Winnepeg, where Mr. Tuck is on the P. O. Inspector's staff.

Another wedding of interest to the society people of St. John was that of Mr. W. Murray Botsford, who was united in marriage to Miss Lena Evangeline Chipman, daughter of Lieut Col. Mr. Botsford was for many years stationed in St. John and held a position in the Maritime bank, and has hosts of friends who will wish him every happiness in his married life.

On Wednesday evening Mr. and Mrs. W. L. Busby gave a delightful whist party at their residence Mount Pleasant, in honor of their sister, Mrs. Carruthers, Kingston. Like all Mrs. Busby's entertainments this one was a decided success, and too much cannot be said in praise of the careful preparations for the enjoyment of the guests, the elegant supper and the appointments and floral decoration of the supper table. A number of married ladies and gentlemen were present, but time and space fail me to give a list.

Wednesday, the luckiest day of all, was chosen by another bride this week, as well as the one described above. Miss Harriet P. Thorne, daughter of Mr. R. Thorne, was married at her father's residence, Carmarthen street, on that evening, to Mr. James Marnie of Moncton. The knot was thoroughly tied, four ministers assisting in the ceremony, the Rev E. Evans, Rev. Dr. Pope, Rev. H. Daniel, and Rev. F. H. W. Pickles. An elegant supper was enjoyed after which the bride and groom took the train for Moncton where they will reside. They were the recipients of many handsome gifts.
