REST COMETH AFTER ALL.

Though friends desert you in the race for fame, Though fortune leaves you for some other goal; Though you are blameless, yet receive much blame, Though sorrow dwelleth deep within your soul, Though life has been a failure, and you plod Footsore and weary o'er this earthly ball, Still if you have a faith, a trust in God, Rest cometh after all.

Rest cometh after all, then higher climb; Rest cometh after all, though wealth departs, The world may blame you, yet rest sublime Shall drive the sorrow from your heart of hearts; Though life's sad failures make you onward plod, Sin-sick and weary till you reach the pall Still if you have a faith, a trust in God, Rest cometh after all.

Rest cometh after all, then let us go Forth to the duties of this fleeting life, -- F ... Bearing our Master's burdens, for we know . ? 7 In him is comfort and a rest from strife And worldly sorrow; let our faith be shod h love and mercy, while we ever call Our riends to an eternal, mighty God. Rest cometh after all.

Rest cometh after all, then as we seek A higher life a better, grander road. Let us of Jesus as a Saviour speak, For He will help us bear life's awful load Of cares and sin, of doubt and unbelief, Of earthly struggles, be they great or small, We thank Thee, God, that life and trials are brief, Rest cometh after all.

A MODERN HERO.

To the memory of Michael Rooney this simple stone was erected by his fellow workmen.

Those words you may read any day upon a plain white slab in a cemetery in one of our larger cities. But you might read them a hundred times without guessing at the little tragedy they indicate, without know-ing the humble romance which ended with the placing of that stone above the dust of one poor and humble man.

"You are too old for an apprentice, and you'd be in the way, I calculate," said Mr. Camp, looking at the brawny arms. "Besides, I know your countrymen-lazy fellows who never do their best. No, I've been taken in by Irish hands before, and I won't have another."

"The Virgin will have to be atther bringing 'em over in her two arms, thin," said the man despairingly, "for I've tramped all day for the last fortnight, and niver a job can I get, and that's the last penny I have, yer honor, and it's but a half

"Ivery cent I spend," he said one day, "puts off the bringing Nora and Jamesy over. Better no coat to me back than no wife and boy by me fireside, and anyhow, it's slow work saving."

It was slow work, but he kept at it. Other men, thoughtless and full of fun, tried to make him drink, coaxed him to acapany them to places of amusement or to share in their Sunday frolics.

At first the men, who prided themselves on being all Americans, and on turning out the best work in the city, made a sort of butt of Rooney and his Irish ways. But he won their hearts at last, and when one chief, before their eyes and shouted: "Look, boys, I've got the whole at last; I'm goin' to bring Nora and Jamesy over at last!" all felt a sympathy in his joy, and each grasped his brawny hand in cordial

"She would start as he desired, and she was well and so was the boy, and might the Lord bring them safe to each other's arms and bless those who had been so kind to him." That was the substance of the epistle that Rooney proudly assured the men that Nora wrote herself. She had lived at service as a girl with a certain good old lady who had given her an education, the items of which Rooney told upon his fingers, "The radin, that's one; and the writin', that's three; and moreover she knows all a woman can."

The little group made their way into the vessel, and Rooney searched for the two so dear to him, patiently at first, but by and by growing anxious and excited.

"Why don't you ask the captain?" suggested one, and Rooney jumped at the thought. In a few moments he stood before a portly, rubicund man, who nodded to him

"She sailed with us," said the captain. 'My man, we all have our trials; God sends them. Yes, Nora started with us." Rooney said nothing. He was looking at the captain, now white to the lips.

Just An Ordinary Woodchuck Log.

When I was a boy my father had a fine field of clover, and he discovered that woodchucks were making sad havoc with it. On the field was a log, and near the log the destruction was the greatest. these garments in use in Eng- My father told me I must kill those woodchucks. I went to the field a number of times, but could not get a shot at them. I came to the conclusion I must use a little strategy; so one morning I went to the field before light. With my gun loaded with a heavy charge of BB shot, I got in a position where I could take a range of the log lengthwise. As it began to grow light the woodchucks began to gather for their morning frolic. They mounted the log, sat up, and looked around to see there was nothing to disturb them. When I thought the iog was nearly covered with them I pulled both barrels at once, the gun kicked me over. When I get up there were no woodchucks to be seen. I went to the log and picked up fourteen dead woodchucks, and it wasn't any great log for woodchucks, either. -Boston Record.
