SOCIAL AND PERSONAL.

EVENTS OF THE WEEK IN NEW BRUNSWICK AND NOVA SCOTIA.

And the Happenings in Social Circles of Fredericton, Moncton, Woodstock, Dorchester, St. Stephen, Sussex, Amherst, Calais, Etc. The baby show, of which I made mention last week, was, I hear, given by Mrs. D. J. Seelye at her residence, Dorchester street, on Friday afternoon. Invitations were issued to quite a number of mothers and infants, and at four o'clock on that day the street abounded with baby carriages. Among those present were: Mrs. W. A. MacLachlan and baby; Mrs. Alfred Morrison and baby; Mrs. T. M. H. Adams and baby; Mrs. E. T. Sturdee and baby; Mrs. Murray MacLaren and baby; Mrs. Douglas Hazen and baby; Mrs. C. A. Macdonald and baby. The mothers, together with several other guests, partook of a 5 o'clock tea, but no refreshments were provided for the babies, except a baby's cake, which had to be eaten by proxy by the mothers, and in which was to be found a prize, consisting of a gold ring. Disappointment was depicted on the faces of all the other babies, when this was captured by Master Sturdee. Conversation, chiefly on babyhood, was indulged in by those present, (between the cries of the infants) and a very pleasant afternoon was spent; baby carriages were ordered at half past five o'clock. Miss Emma Tuck is visiting friends in New York. Mrs. B. C. Boyd, and Miss Boyd, have returned home from New York. Mrs. W. H. Adams, and Miss Adams, have been detained there in consequence of the illness of Mrs. Adams. Mr. Arthur Thorne, who has been confined to his home, Wellington Row, with an attack of typhoid fever is convalescent. Mr. Herman Peiler, who has been absent from St. John several years, is visiting his relatives here, and is being warmly welcomed by his old friends. Miss Jessie Sheraton left for Charlottetown this week, where she has accepted the position of Matron to the Hospital. Miss Hooper, of Toronto, is the guest of her cousin, Mr. G. C. Coster, Union Street. Mrs. Charles Campbell is visiting New York. Mrs. Eaton, who has been visiting her sisters, Mrs. Vaughan and Mrs. Henderson in England, returned by steamer Circassian this week. Mr. and Mrs. Howard McLeod, who have spent the summer months at their residence, Hampton, have moved to the city for the winter. Mr. and Mrs. Walter Magee, of St. Andrews, are in the city. Mr. and Mrs. J. J. Christie celebrated that most unusual anniversary, their golden wedding, last evening, and a large number of guests assembled at their house, on the corner of King and Pitt streets, to do honor to the occasion and offer their congratulations to the bride and groom fifty years ago. They were the recipients of many beautiful and appropriate presents, and the guests were glad to see Mr. Christie, who recently suffered from a stroke of paralysis, sufficiently restored to health to be able to receive his guests. Quite a long list of names has been filled in Trinity church parish in the formation of the "Young Women's Guild," which has been organized by a number of enterprising young ladies. The officers are: Miss McNeil, president; Miss Adams, vice-president; Miss Annie Tincey, secretary; Miss Florence Snider, Treasurer. The council are: Misses McNeil, Adams, Tincey, Adams, McNeil, Snider, and Edith Clarke. The Guild took charge of an Industrial Booth at the Algonquin sale, and the young ladies in the different departments were: Miss Whitney and Miss Seamanell, painting; Miss McNeil and Miss Jarvis, fancy work; Miss McNeil and Miss Patton and Miss George Seamanell, Tasse paper work. Miss Snider and Miss Tincey took charge of the cake table. Miss Seelye and Miss McMillan had charge of the refreshments. Mrs. Patton and Miss M. Smith dispensed ice cream. The Guild expect to do quite a lot of church work, and will probably take charge of the decorations at Christmas and other festivals. They have a number of rules given them by Canon Briscoe, one of which is that young women over the age of sixteen, and under the age of twenty, be members of it until marriage. I believe that Rev. Mr. Katooh has been engaged as curate for Trinity church. Miss Bessie Tilley, who has been spending the summer with her cousin, Miss Elsie Matthew, left for her home in Hamilton, Ont., the first of the week. Miss Tilley will be very much missed by the host of friends she made while in St. John. Miss Bowden entertained a number of her friends Friday evening, at her residence. A delicious dinner, a little supper was served and the party broke up at about two o'clock. On Tuesday evening a quiet party assembled at the residence of Mrs. J. E. Sypher, (cousin of the bridegroom) 73 Sydney street, to witness the marriage of Mr. Harry Butler, of Salmon Bay, to Miss Annie R., daughter of George A. Munro, of Seaside Creek. The ceremony was performed by the Rev. Sydney Welton of the North End. The bride who was attended by Miss Mary Ann Munro, was attired in a rich costume of dark green velvet moire, trimmings to match; the bridesmaid also being in a neat costume of dark green, trimmed with white. The bridesmaid was ably supported by Mr. C. Stubbs Manuel. After an enjoyable evening, the party broke up at a late hour. The happy couple left for home on Wednesday forenoon, carrying with them the good wishes of their friends.

St. John—West End. Rev. Mr. Rice, former pastor of the Fairville Methodist church, and his son, Mr. Rice, were the guests last week of Senator Lewin, on Lancaster Heights. Rev. John A. Clark has returned from a short visit to Fredericton. The Presbyterian church, which has been undergoing extensive repairs, will be re-opened for the usual services on Sunday morning last. Miss Annie Babbitt, who has been spending some weeks at the West End, the guest of her sister, Mrs. John Y. Ellis, returned on Wednesday to her home in Fredericton. Miss Annie Ellis has returned from Boston, where she has been for some time visiting her sister, Mrs. Arthur Calhoun. Mr. Rich, of California, is the guest of Mr. Andre Cushing on Lancaster Heights. PETERS MORGAN. St. John—North End. Mr. and Mrs. D. V. Roberts returned from New York last week. Friends will be pleased to learn that Miss Cassie Tapley, who was quite ill last week, is much better. Miss Bell McLaughlin returned to her home in Annapolis last week. Miss McLean, of High St., entertained a number of her juvenile friends the week before last. The Misses Morgan treated a number of their friends to a dance last Thursday evening. Yesterday the flags floated on the engine house and city building in honor of Mr. Robert Welby, who was married at 8 a. m. to Mrs. Annie Ley, daughter of Capt. McLean, Main street. The marriage ceremony was performed by Rev. F. H. W. Pickers, at the residence of the bride's father. The bride and groom left on the early train for Halifax, on their honeymoon. Miss Blanche Wisely accompanied them as far as Sackville, on her return to school. Mr. and Mrs. Wisely will return to Sackville on Saturday, and remain over till Monday. They carry with them my best wishes. I hear of a drive to south Bay in the near future that is anticipated by a number of our young people. Notwithstanding the unfavorable state of the weather Wednesday evening, the fancy sale held by the ladies of the Mission chapel proved quite successful. The arrests held a successful entertainment Wednesday evening in Orange hall, while a number of young folks, who rented the lower flat tripped the light fantastic till a late hour. Mrs. Mason returned from Boston on Monday, leaving her son, Bayard, much improved. Mr. and Mrs. Jos. Irvine celebrated their wedding on Wednesday. In the evening about 60 young folks met at their home, bringing numerous presents. Dr. Smith, who recently returned from a three weeks' visit to Tennessee, and other southern states, brings news of Mrs. J. B. Colter, formerly residents of New Brunswick, whose guest he was for a few days. He reports Mr. Colter as one of the prominent lawyers of that section, and as every other lot of land has three claimants for it, he has plenty to do. The country, however, was too wild and cool for the doctor. He journeyed there before he left, and he met it again at Vanceboro on his return.

MONCTON. [PROGRESS is for sale in Moncton at the book-stores of W. W. Black and W. H. Murray, Main street.] Nov. 19.—If it were not for the numerous exciting rumors, which are flying about our city lately, of weddings to come, we should be very quiet indeed; but with such bright prospects before us we can well afford to be cheerful. All these weddings believe are to come off between the middle of December and the middle of January, and the last of which I heard of is that of a well-known and charming young lady, who is to bring sunshine into the home of a popular clergyman—not of Moncton—in the near future, so we shall lose one bride, though the law of compensation has decreed that the loss will be made up to us in January, when one of our bachelors will bring a bride to Moncton. The music-loving people of our town are looking forward to the Old Folk's concert, which will take place in the opera house this evening. I find that the rate preparations have been made for it, I fancy it will be a grand success. I cannot say that I particularly care for that style of music myself, I find it too monotonous and colorless, but tastes differ and the costumes will be sufficiently attractive to add a piquancy to even the oldest and most sodate music. Moncton people were terribly shocked last Tuesday morning, to hear of the death of Mr. Thomas McSweeney, which took place in the early morning. He had been for many years one of Moncton's most prominent business men, and he will be greatly missed in commercial circles. This is the second death which has taken place in the family since last spring. Rev. John Prince, accompanied by Mrs. Prince, left town on Wednesday afternoon for a trip to St. John. They will be absent a little more than a week. Mrs. David Dickson's Moncton friends were delighted to welcome her back to town last week. She has been in St. John, where she will occupy her former home on Steadman street, which has been closed all summer. The Misses Ada and Mary King, who left town last week to attend the wedding of Miss Rennie, of St. John, returned home on Tuesday. Mrs. Funder, of St. John, is in town spending a few days with her sister, Mrs. J. S. Marnie. Miss Davidson, of Seattle, Washington Territory, who has been visiting Mr. and Mrs. H. T. T. in Fredericton last week, for Chatham and Newcastle, to visit relatives. By the way, in speaking of brides, I must note the fact that a young man from Newcastle swooped down upon our peaceful town last week and bore away one of our most charming young ladies, in a manner so unexpected, that we have scarcely recovered our breath yet. The gentleman referred to was Mr. Howard Williston, son of the late Judge Williston, of Newcastle, and the bride was Miss Margaret of Mr. Myer Moss, of Moncton. The ceremony took place at the residence of the bride's parents, on Tuesday last, and was performed by the Rev. J. M. Robinson. The young couple left for their home in Newcastle, followed by sippers, rice, and all manner of good wishes. Miss Moss will be greatly missed in Moncton, where she had many friends, but I suppose we must not grudge her to the Newcastle people, since Newcastle was her home, before she came to Moncton. Mr. Talbot formally resigned the charge of his parish at a meeting of the vestry of St. George's church, held last Thursday evening, the resignation to take effect on the 1st of December. Mr. Talbot's new field of labor will be Oshawa, Ont., where Mrs. Talbot's parents reside, and it is understood that his salary will be \$2000 a year, while in Moncton it is but \$800. Mr. Talbot's parishioners are very unwilling to part with him, and could they induce him to remain they would gladly increase his stipend. Miss Reading, of California, and Miss Hill, of London, are in town, visiting Dr. and Mrs. Ross. Miss Reading is on her return from Europe, where she has spent the last two years at school. The Y. M. C. A. have secured the noted evangelist, Sam Small, for next Saturday evening. He will preach in the Baptist church. Rev. H. F. Adams, of Yarmouth, N. S., is in town, the guest of Mr. J. P. Clark, Church street. Mr. C. E. A. Simons returned on Saturday from Windsor, N. S., whither he had gone on business connected with the church school for girls, of which he is one of the stockholders. Miss Florence Peters returned on Friday from Sackville, where she had been attending the bachelor's ball. Miss Peters was the guest of Mr. and Mrs. A. E. Botsford, at Acadia Grove. Mrs. Albert Hickman, of Dorchester, is spending a few days in town, the guest of Mrs. and Miss Chipman. Mr. E. M. Estey, who has been making a tour of the provinces in connection with the placing of his proprietary medicines on the market, returned home on Monday. Judge Landry, of Dorchester, spent a short time in Moncton last week, the guest of Mrs. and Miss Chipman. Mr. J. B. Archibald, of Truro, was in town last week. DORCHESTER. [PROGRESS is for sale in Dorchester at George M. Fairweather's store.] Nov. 19.—Mrs. R. A. Chapman, formerly of Dorchester, but now of Moncton, has been spending the past week in Dorchester, visiting her daughter, Mrs. Murray B. Dolson. Mr. and Mrs. Cavour Chapman, of Moncton, were in Dorchester on Wednesday, having come to be present at the wedding of Miss Minnie Chapman. Rev. J. R. Campbell returned home on Thursday from a short visit to Windsor, N. S., where he was engaged on business connected with the church school for girls. Dorchester sent but a small contingent to the ball in Sackville, on Thursday last, consisting of Mr. and Mrs. Alfred E. O'Brien, Miss Chapman, and Mr. J. W. Y. Smith. Judging from the glowing descriptions they all gave, the ball must have been successful beyond the majority of balls in these days. They speak in especially high terms of the ceaseless efforts of the committee to make the evening enjoyable by their efforts in which they must have met with entire success. Those of us who so foolishly stayed at home are now regretting the fact, and making great promises for next time. Alas! When will that day come? The following interesting item is copied from the Moncton Times: "A large number of interested spectators gathered in the Methodist church at Dorchester, last Wednesday evening, to witness the marriage of Miss Minnie Chapman, youngest daughter of Mr. J. W. Chapman, to Mr. George C. Palmer, of Sackville. The bridesmaids were the Misses Palmer and Doukin, of St. John, and Miss Lena Chapman, of Dorchester, while the groom was supported by Mr. Dean, of St. John. The bride was charming in a handsome travelling costume of new colored cloth, and was the recipient of many valuable presents. After the reception and supper at the residence of the bride's parents, the young couple took their departure for their wedding trip, amid many good wishes." Mr. John B. Foster, Penitentiary Warden, made a short visit to Windsor last week, to attend a meeting of the Directors of the Char- School. He returned with Mr. Campbell on Thursday. Mrs. Albert Hickman has been visiting her sister, Mrs. Church, in Moncton, for a week past. She returned to Dorchester today, but went back to Moncton this evening to visit other friends there. Mr. D. L. Hanington returned on Saturday from a business visit to the United States, but left again on Monday to attend to professional business in St. John. Judge Landry is again in Dorchester, after his recent visit to Richibucto. He has lately erected a small camp in front of his residence on Mechanic street, and it is believed and devoutly hoped that others will follow his praiseworthy example. Miss Fanny S. Chandler left on Monday to make a short visit to friends in Richibucto. She will return in about ten days. Miss Phyllis left on Monday to spend some weeks in St. John. Miss Church, of Albert, is in Dorchester, visiting the Misses Backhouse, at Rocklawn. (Continued on Eighth Page.)

FREDERICTON.

[PROGRESS is for sale in Fredericton at the book store of W. T. H. Fenety and by James H. Hawthorne.] Nov. 19.—We are now enjoying the calm after the storm that has been sweeping over us during the past week.
