And the Happenings in Social Circles of Fredericton, Moncton, Woodstock, Dorchester, St. Stephen, Sussex, Amherst,

The death of Mr.S.T. King, which occurred at Chicago on Sunday last was heard with regret by a large circle of friends. Mr. King had been in the best of health, when suddenly stricken down with apoplexy and paralysis, and was enjoying his visit at Chicago, where he and Mrs. King intended spending the winter with their daughter, Mrs. Stanley L. club as a parting gift. A Hockey club has been formed in St. John, numbering some twenty-five ladies and gentlemen, for the practice of this game. The Victoria rink has been engaged for every Saturday evening during the winter, and the first meeting was held last Saturday night, when about twenty were on the ice, and much interest was manifested in the game. On played. I always thought this a very rough pastime for ladies, but judging from what I witnessed, I think it is no more so than tennis, and have no doubt hockey will become popular in St. John.

I have heard several enquiries as to the prospects of tobogganing this winter, and now that the moon is in condition would suggest that some of the old Nenemooskias have one meet any way. No doubt a hill could be engaged and perhaps one run on the boards, would in a measure start the old tobogganing fever again. I heard of a party of young people who enjoyed coasting and tobogganing last Saturday night on the grounds of Mr. John H. Parks when the weather was all that could be desired and a very pleasant time was spent.

the gentlemen about not caring to play whist with ladies, for the reason they know so little about the game, and talked so much during its progress, in fact they would stop in the middle of a game to dis-cuss the respective merits of their babies and ser-vants, that they have decided to try and become good whist players, so that these complaints may no longer be true.
