YARMOUTH.

PROGRESS is for sale in Yarmouth at the stores of E. I. Vickery and Harris & Horsfall. DEC. 1 .- Last week there was an unusual large number of entertainments. On Thursday evening a concert was given in the Boston marine music hall by a number of our talented men and women, in aid of the I. O. G. T. of Yarmouth. As far as the programme was concerned the concert was a decided success; but on account of there being other engagements the same evening, the audience is not as large as usual when it is known that such performers as took part that evening are to favor us. Solos were admirably rendered by Mrs. T. B. Flint, Mrs. J. W. Anderson, and Mr. W. H. Dane. One of the finest selections of the evening was a quartette by Mr. and Mrs. Dane, Mrs. Flint. and Mr. T. W. Stoneman. Miss Grace Peterkin, accompanied by her sister on the piano, played the violin excellently for one so young. The instrumental music by Miss Julia Moody and Miss Peterkin was very fine. Mrs. A. W. Masters, of St. John, was among the singers. The same evening the ladies of the Temple baptist church held a bazaar and supper in the vestry of their church.
