

IN MUSICAL CIRCLES.

With the first month of autumn, many of our musical people are returning to the city, and perhaps we may not be so dull from this out.

Mrs. W. S. Carter is again to be heard in St.

John's church, and Miss McInnis and Mrs. Wetmore have also returned to the same choir.

Miss Henderson is singing once more in the Centenary choir, after spending her holidays in Gage

Mr. E. L. Titus and bride came from the states the first of last week. They are residing on Dor-

chester street.

I was unable to attend the opening of the Davenport school on Monday last. I believe a very pleasant afternoon was spent by those who braved the weather. Mr. Geo. Wilson's piano solos were

Mr. and Mrs. Tipton left the latter part of this week for Philadelphia. I had the pleasure of hearing Mr. Tipton play in the Mission church last Sunday. Mr. Custance will take the organ in the Mission tomorrow for the first time I believe.

On Thursday evening a concert was held in Rothesay at which Mrs. Gilchrist, Miss Jennie Young, Mr. Lindsay, Mr. White and others assisted. I hear something of a musical service to be held in the near future in St. John's, when the rector will take "Music" for the subject of his sermon.

Mr. Tipton gave a most enjoyable organ recital for a few friends on Thursday in Trinity church.

This (Saturday) afternoon there will be a recital given in the rooms of the St. John School of Music, to which the public is invited. Miss May Elise Fellows, a pupil of Franz Kneisel (of the Boston Symphony Orchestra), will contribute several violin solos. I had the pleasure of hearing Miss Fellows play a "Slumber Song," by Ries, at one of the New England Conservatory of Music recitals some years ago, in Tremont Temple, Boston. Miss Chaffel, violinist, will again be associated with the School of Music, I beheve.

By the Boston Globe I see that Corinne will star this season in a revised version of her last year's "Carmen," now named "Carmen up to date." New musical numbers have been written by Richard Stahl and William Robinson.

As yet I have not heard any particulars relating to the re-opening of the Oratorio Society, but presume it will not be long before they begin work again. Rehearsals are being held every week for the exhibition concert, under the leadership of Mr. I believe Mr. Morley is still confined to the house

Mr. Harry Daniels, of Boston, expects to make a short stay in St. John some time this month.

SPORTS OF THE SEASON.

Out door sports do not seem to be as popular, as those held in the rinks, although I believe the Beavers came out all right last Saturday. A number of new athletes made their appearance, and some of them made a good showing.

The maritime province Amateur Athletic association have issued circulars for the championship sports on the Wanderers grounds, Halitax, Oct. 2. The entries close Sept. 28. The following are the events: 100 yards run, 220 yards run, 440 yards run, 880 yards run, 1 mile run, 120 yards hurdle, 3 mile walk, pole high leap, running high jump, running broad jump, putting 16 lbs. shot. throwing 16 lbs. hammer, one mile bicycle (Ordinary) one mile bicycle (Safety).
