A LEAP IN THE DARK Is very often attended with disastrous consequences. The shrewd advertiser does not leap in the dark. He knows where his game is before he tries to shoot it. If he patronizes the "ST. ANDREWS BEACON" he does not expect to reach people in Labrador, but he does expect to reach people in St. Andrews, St. George, Dear Island, Campobello, Grand Manan and other places in Charlotte County. And he will. They all take it. HOTEL PROPRIETORS and TRANSPORTATION COMPANIES will find the "BEACON" an excellent medium through which to reach the summer traveller.
