MARCH 30.—Spring is fast approaching, bringing with it bright days. The snow banks are showing wonderfully less and old mother earth is showing up again in many places. Our town has been quite excited lately over horse racing, of which we have had three days. The course was on the ice and gave persons on the wharves a fine view. As an account of a horse race would be a little out of place in your columns I will stop here.

KINGSTON, K. C.

MARCH 30.—As the ice is good and the weather fine, all the neighbors in this vicinity have been training their horses for some time.

While Mr. John Hill was out training his horse something gave away about the harness which caused the horse to run away. After leaving the ice Mr. Hill succeeded in overthrowing him in a snow bank. The shafts were broken but happily Mr. Hill escaped unharmed. I think the horse struck a 2.50 gait that time.

A revival among the Baptists of Kingston has been going on for some time; the Rev. L. A. Cosman, Mr. W. Smith, and Mr. T. Keerstead, are the leaders. Several baptisms have been performed by Mr. Cosman; all was progressing favorably when Messrs. Cosman and Smith disagreed on some points and the church "divided." The question is, which is to be the coming B. minister of Kingston, Mr. Cosman or Mr. Smith. It is to be decided by a paper which has been drawn up to be signed by the friends of each.

I regret to hear that Miss Georgie Belyea has had one of her hands badly cut.
