Last week Lieut. Governor Carvell celebrated

the 60th anniversary of his birthday. The "Harbor Light" is increasing in popularity as an evening resort for the working people. Whatever misgivings people may have had at first, all will now admit that it is practical move in the right direction. From 150 to 200 men assemble nightly (many of whom would otherwise be found loafing around taverns or street corners), and spend the evening in singing, playing innocent games, reading, or gymnastic exercises. Cake and coffee are ing, or gymnastic exercises. Cake and coffee are served twice each week, either from the "coffee fund" or through the generosity and kindness of some of our leading citizens. The example was set in that line on the 5th, by Mrs. J. J. Davies, of Hotel Davies, and followed on the 12th by Mrs. Dr. McLeod, Mrs. T. L. Chapelle, and Mrs. John Coombs, and patch by Mrs. Dr. Taylor, Roy W. W. and on 19th by Mrs. Dr. Taylor. Rev. W. W.
