

Guilty or Not Guilty?

We want every reader of PROGRESS who knows of people or has friends suffering from wasting diseases to apply to him or herself the above question. If they do not know of any one who is suffering from any of the following diseases.

Consumption, Paralysis, Chronic Bronchitis, Asthma, Dyspepsia, Scrofula, Salt Rheum and other Skin and Blood Diseases, Rickets, Anæmia, Loss of Flesh, Wasting, both in Adults and Children, Nervous Prostration.

They are Not Guilty; but if they know of any one who is afflicted with any of these fatal diseases and has not recommended

PHOSPHOLEINE

(Pronounced FOS-FO-LEEN)

To them after reading such an array of evidence as is given below, then we can and must say that they must return against themselves a verdict of **GUILTY** of neglect in bringing before the sufferers a notice of this wonderful remedy, and thus enable them to regain health and strength. This much attention is due to your fellow beings who are either ailing or on their sure road to the grave. You must acknowledge that you have never before heard or seen a report of so many cures of people **who are known to you** either personally or by reputation, and any Physician who has used **PHOSPHOLEINE** will guarantee everything that has been said of its value. **LA CRIPPE** cannot get hold of those who take **PHOSPHOLEINE**, and those who have had the Grip are soon restored to strength and health by this source of life, or as cured consumptives style it "BOTTLED LIFE." Be useful in this world commencing by finding out who is sick in your neighbourhood, then be **a neighbour unto them** by seeing that they have a bottle of **PHOSPHOLEINE** at once, and you will enjoy the happiness of seeing your neighbour get well.

M. F. Eagar.

Weymouth, N. S.

Dear Sir,—I have used your Phospholeine in many cases for which it is recommended, and am well pleased with the way in which it acts. In a case of the most obstinate Chronic Bronchitis (the disease had baffled the usual treatment in such cases) your Phospholeine acted like a charm, and I ascribe the recovery entirely to the use of it. From my experience of it I feel justified in saying that it is an important remedial agent in all cases of Wasting Diseases, and I can heartily recommend it to the notice of the profession and public as a remedy of real merit.

HENRY D. RUGGLES, M. D.

Mr. Eagar.

Plymouth, Maine.

Dear Sir,—At the time I first sent you for the Phospholeine in June, 1882, I had a cold that I contracted in March. I coughed considerably and was reduced in weight. I tried several cough medicines without much benefit, my cough had become chronic, I commenced taking the Phospholeine and received immediate relief and soon commenced to gain in flesh. After taking four (4) bottles I felt like a new man, had gained 20 lbs. in weight and have not felt so well for several years, and have enjoyed very good health since. One thing more I wish to mention, for several years past I have been troubled with a numbness in the two middle fingers of each hand, sometimes the pain was quite severe, extending to the elbow. I consulted a physician who gave me some medicine that afforded only temporary relief. I am happy to say since taking the Phospholeine I have not had a recurrence of the trouble.

Very truly yours,
CLARENDON BUTMAN.

Yarmouth, N. S., July 30th, 1882.

M. F. Eagar, Esq., 157 Hollis street, Halifax.

Dear Sir,—It gives me great pleasure to state that I have been prescribing your "Phospholeine" or "Cod Liver Cream" during the last two years, and the longer I use it the more gratified I am with the results.

H. L. KELLY, M. D.

TORONTO GENERAL HOSPITAL.

Established, 1819. (Incorporated by Act of Parliament.)

M. F. Eagar, Esq., Halifax, N. S.

Dear Sir,—I am very highly pleased with the action of your Phospholeine. It has been used in this Hospital in Pulmonary and other wasting Diseases with success, and being so palatable, is a splendid substitute for the Crude Cod Liver Oil. Will you kindly let me know the lowest wholesale rate for a quantity for Hospital use?

Yours truly, (Signed) C. O'REILLY, M. D., C. M., Supt.

I have often prescribed Eagar's Phospholeine, and as it has been invariably beneficial in the cases under my own observation, I have great pleasure in recording my testimony in its favor. Being a perfect emulsion it is easy of digestion, without producing nausea, which is of the very greatest importance in the class of Wasting Diseases it is especially designed to benefit. I have frequently seen it retained by the stomach when almost every other similar preparation has been tried and rejected.

R. ADLINGTON, M. D. (Edin.), M. R. C. S., England.

Bedford, N. S. Member of the College of Physicians and Surgeons, Ontario, &c.

PRICE 50 cts. per Bottle
CONTAINING 60 DOSES.

Medical Electro Therapeutic Institute, Corner Jarvis and Gerrard Streets, Toronto, Ontario.

Dear Sir,—It is with pleasure that I can recommend your Phospholeine. In every case it has met my expectations, and is the finest preparation of the kind that I HAVE EVER USED. Some of my patients come to like the taste, and none call it unpleasant, which is very greatly in its favor. Enclosed, please find Post Office Order for \$36.05, to balance my account to date, and oblige me by sending another gross.

Yours very truly, E. A. TEFTE, M. D.

SECOND CERTIFICATE FROM DR. SLAYTER.

Since giving you my last certificate I have had many opportunities of further testing your Phospholeine, and of comparing its action with the Emulsions and preparations of oil in the market. I may state that I BELIEVE IT TO BE THE BEST PREPARATION NOW OFFERED TO THE PUBLIC, the drugs and oils used being of the finest quality, while the facilities and machinery used for mixing them are of the most perfect kind. I have no hesitation in stating that where oil is indicated, Eagar's Cream (Phospholeine) will be found to be EVERYTHING THAT IS CLAIMED FOR IT BY ITS PROPRIETOR.

W. B. SLAYTER, M. D., &c., &c., &c.

M. F. Eagar, Esq.

BATHURST VILLAGE, N. B.

Dear Sir,—Your Phospholeine has given me entire satisfaction, my patients too like it better than any other Emulsion. Its results are sometimes surprising, especially in wasting Diseases of children. Forward to me, per I. C. R., two doz. Phospholeine, and two doz. Wine of Rennet, enclosed find \$36.00, and oblige me.

Yours truly, G. M. DUNCAN, M. D.

Dr.urdy, of Moncton, N. B., writes:—"I have tried Eagar's Phospholeine in many cases for which it is recommended with satisfactory results. I had a patient whose stomach absolutely refused to retain any preparation of Cod Liver Oil which I could devise, but so soon as EAGAR'S PHOSPHOLEINE was administered no further trouble was experienced. I feel justified in saying that it is an important remedial agent in all cases of Wasting Diseases where nerve element and vital force requires nutrition."

FROM REV. DR. HILL.

M. F. Eagar, Esq.

Halifax, N. S.

Dear Sir,—I feel it is my duty to you that I should say publicly what I have said privately very many times, namely, that I firmly believe your PHOSPHOLEINE was the means of restoring a near relative of mine to ordinary health. The patient was apparently in the last stages of Consumption, but with the concurrence of skilled physicians your PHOSPHOLEINE was tried, and, I am happy to say, with results that I certainly did not anticipate. My friend is today in the enjoyment of excellent health.

Believe me, yours very truly,
GEORGE W. HILL, D. C. L., Rector St. Paul's.

TUBERCULOUS DEGENERATION OF THE LUNG.

Dear Sir,—Last summer I was troubled with a cough, and my physician says unmistakable symptoms of consumption, including debility and loss of flesh. I lost 30 pounds in weight in a few weeks. My physician, who examined me, advised me to use your Phospholeine, and I am happy to be able to inform you that it has produced a complete cure, and I have regained from 124 to 154 pounds in weight, and am now enjoying good health. I drove 65 miles at night across Cape Breton during a snow storm in December without suffering from it in the least.

I am, dear sir, yours faithfully,
E. R. HARRINGTON.

Mr. M. F. Eagar.

Plymouth, Penobscot, Maine, C.

Dear Sir,—While away from home hauling bark last winter I caught a severe cold which settled on my lungs. I was a stout, rugged man, never was sick hardly a day in my life, but this cold got the better of me; I could not get rid of it under the usual treatment. I began to grow worse, coughed a great deal and became very weak, so that I had to give up work. I was so hoarse I could not speak aloud. I consulted several physicians. I took their medicine but received no benefit, but gradually grew worse. The last physician consulted said I could not live. About this time my attention was called to the Phospholeine by your agent in this place, who induced me to try a bottle, which I did with marked results. To tell the truth, I had but little faith in it, I have tried so many medicines without relief. Before I had finished taking one bottle I began to feel better and to gain in health and strength. After taking a few bottles I was able to work in the hayfield, and have since been steadily improving; my hoarseness is nearly all gone and I have gained nearly 25 lbs in weight.

Please accept this as a grateful testimonial from one who has received great benefit from your valuable medicine.

Very truly yours, PARKER HOLT.

FROM REV. H. J. WINTERBOURNE.

Mr. Eagar.

Halifax.

Dear Sir,—I have great pleasure in bearing testimony to the excellency of your "Phospholeine." It has been most beneficial to me at different times when suffering from debility, etc. I may add that it is pleasant to the taste, which, of course, is a great advantage. I can confidently recommend it as a really good preparation for building up the system.

Yours very truly, (Signed) H. J. WINTERBOURNE, Rector of St. Mark's and St. John's Parish.

INFLAMMATION OF THE LUNGS.

M. F. Eagar, Halifax, N. S.

Cow Bay.

Dear Sir,—During the fall of 1876 I contracted a severe cold, which settled on my chest, causing inflammation of the lungs. For the next two years I used many different preparations, including two different Emulsions, and also Churchills' Compound Syrup, from neither of which I derived any benefit. Meantime, hearing of your Cod Liver Oil Cream (Phospholeine), I gave it a trial, and am happy to state that it has very materially benefited me, and would strongly recommend it to one and all who may be similarly affected, being convinced that the ingredients contained in your Cream (Phospholeine) are what is necessary for re-building of either weak or diseased lungs.

Yours gratefully, ISAAC ARCHIBALD.

FROM AN EX-MAYOR OF HALIFAX.

I have on several occasions used Eagar's Cod Liver Oil Cream (Phospholeine) in my household, and believe it to be a very valuable, reliable remedy for building up and strengthening the system in adults as well as children. It is pleasant to the taste.

Halifax. GEO. FRASER.

Dr. Weeks of Brooklyn, sends the following report of a few of the cases in which he ordered EAGAR'S PHOSPHOLEINE:

W. D., aged 5, a delicate boy, of marked strumous habit, had whooping cough which ran a very protracted course and rendered him very weak; a slight exposure to cold was followed by a chill, violent cough and consolidation of the right lung. After the acute symptoms subsided he was put on Eagar's Phospholeine, and made a rapid and complete recovery—gained flesh and strength, and was soon in much better health than before he took the whooping cough.

E. L., girl, aged 7, had measles complicated with bronchitis, very severe cough and profuse puriform expectoration, night sweats, etc. Took Phospholeine with marked benefit, all the symptoms subsiding rapidly, and leaving the lungs in a healthy state.

A. W., girl, aged 15, family history good; contracted a severe cold which resulted in general bronchitis, both lungs being extensively involved, convalescence tedious, and showing a marked tendency to consumption. Under the use of Phospholeine the symptoms gradually yielded, and she regained her ordinary health. About one year after, took whooping cough, during which all the threatening lung symptoms returned, accompanied by hectic, night sweats, etc., the expectoration being occasionally bloody; she lost flesh and strength rapidly, she again took Phospholeine, and though for three months she was confined to the house, she is now entirely free from all symptoms of consumption, and the respiratory sound of the lungs quite normal.

Dear Mr. Eagar: HALIFAX, N. S.

I gave your Cod Liver Oil Cream to one of my children who had lost her appetite and who was rapidly losing flesh, and I am pleased to be able to inform you that before the first bottle was finished she had regained her appetite, and is now fat and well. I have also seen it used in other cases with good results.

I am, etc., yours very truly, GEO. RENT.

M. F. Eagar, Esq., Chemist, Halifax, N. S.

LIVERPOOL.

I have used your Phospholeine for Chronic Bronchitis, and find it a good remedial agent, superior to other remedies of similar character. Use this to benefit others if you please.

Truly yours, C. A. FOSTER.

A druggist in New York writes as follows:—"You have probably forgotten having kindly given me a bottle of your Phospholeine when in your city last summer. It has benefited my wife so much that I beg you will send me two bottles. Let me know the expense."

Dear Sir,—Having been cured of Consumption of the Lungs by your "Phospholeine," I think it nothing but fair to make it known, that those who are suffering from the same trouble may be cured. There is no doubt about my case having been consumption. I do not depend on my own idea of it, but the opinion of the doctor who examined my lungs. I did not expect to live three months. I commenced getting stronger, eating better and feeling more like myself after the first dose of your Phospholeine. I have now taken over one dozen bottles, and am as well as ever I was in my life.

I am, etc., yours faithfully, MRS. J. S. HOLSTEAD.

THREATENED CONGESTION OF THE LUNGS.

Dear Mr. Eagar: HALIFAX, N. S.

Your Cod Liver Oil Cream (Phospholeine) cured that cough and oppression on the chest which had troubled me so long, and which no other medicine could ever relieve. I think it an excellent preparation.

Yours truly, ALEX. MCKAY.

Dear Mr. Eagar:—

LOW SPIRITS.—DYSPEPSIA.

HALIFAX.

I had a violent pain in my side, which caused loss of appetite, was very much depressed in spirits, being very weak, and suffering from indigestion for anything, either work or pleasure, and could get no relief. I tried your (Phospholeine) Emulsion, and after using three bottles, happy to say quite a new man.

Yours very truly, JOHN PALMER.

NERVOUS AND PHYSICAL PROSTRATION

Eagar's Cod Liver Oil Cream, with Hypophosphites Phospholeine.—Mr. Blum, who lives on the Rosebank Farm, says:—"You can publish the fact that Eagar's Phospholeine has effected a complete cure of my wife. Her cough is gone, distress in the chest removed, and health, strength and flesh is regained, and she has not yet finished the fourth bottle." He says it is the best medicine that he has ever seen.

BRONCHITIS.

Halifax, N. S.

Dear Sir,—I was so bad with a cough and tightness in the chest, and weakness, that when a fit of coughing came on I had to hold on to a fence, or anything else which was near, and the stuff which came from my lungs was very bad. I cannot tell you how much I suffered; I could hardly breathe, and I could get nothing to do me any good until I tried your Cod Liver Oil Cream (Phospholeine), and I now want to tell you that although I have taken only one bottle, I am cured. I can draw a full breath, feel quite strong, and the cough and expectorating are gone. It is the best medicine I have ever heard of, and I would like others to know of such a good preparation.

JOHN REARDON.

WASTING DEBILITY.

Halifax, N. S.

Dear Sir,—I caught a cold last summer, and could not get rid of it. During fall and early part of winter, I became very weak, and coughed a good deal. I also lost weight. After many things had failed, I tried Eagar's Cod Liver Oil Cream with Hypophosphites (Phospholeine), and commenced getting better after the first dose. I have now taken three bottles, and feel like a new man. I have proved it to be a great remedy, and as I think it ought to be well known that such valuable medicine can be had, I send you this for you to publish if you wish.

I am, yours truly, JAS. JACKSON.

TRAIN DESPATCHER AT VANCEBORO'.

M. F. Eagar, Esq.

Dear Sir,—My wife, Laura A. Finson, was taken ill early this year and suffered severely with a bad cough, accompanied by expectoration of mucus containing blood and great weakness of the chest, general prostration and clammy night sweats, and continued to grow worse until I was recommended to procure for her some bottles of your Phospholeine, and Wine of Rennet. This I did, and after using about five bottles of the Phospholeine, taking a teaspoonful at a time in a wine glass of milk, increased afterwards to a tablespoonful, and shortly after each dose a teaspoonful of your Wine of Rennet, she became thoroughly well, her improvement commencing after the first half bottle had been taken. She can now superintend her household duties without any inconvenience, eats and sleeps well, and every symptom of consumption has vanished. I have to thank your medicine for her restoration to health.

WALTER R. FINSON.

The statement of facts contained in the above certificate is in all respects accurate. I feel assured that I owe my cure to your medicines.

LAURA A. FINSON.

RIGHT LUNG CONSOLIDATED, ONLY SIX YEARS OLD.

Mr. M. F. Eagar, Halifax, N. S.

ASHDALE, HANTS CO.

Dear Sir,—Last winter my son, aged six years, caught the whooping cough. The disease settled on his lungs, and for some time we almost despaired of his life. Our doctor advised me to give him your Phospholeine, and under its use he completely recovered.

Yours truly, LEWIS DIMOCK.

PRICE 50 cts. per Bottle
CONTAINING 60 DOSES.

HEALTH INSTITUTE, 272 Jarvis Street, Toronto.

Mr. M. F. Eagar.

Dear Sir,—Enclosed find P. O. order for amount due for last gross of your (Phospholeine); it was not received for a month after being shipped by you. I find it all and EVEN MORE THAN YOU RECOMMEND IT TO BE.

E. A. TEFTE, M. D.

Mr. M. F. Eagar.

Dear Sir,—Nearly out of your Phospholeine. Please send another gross as soon as possible.

E. A. TEFTE, M. D.

Mr. Eagar:

Dear Sir,—I have been suffering from pain in my lungs and chest for past three months, with hard cough, loss of appetite, unable to work; obtained no relief from the Emulsions and other medicine which I have taken; received treatment from leading physicians without benefit, but growing worse and weaker, I was advised by Mr. Baker of this place to try Eagar's Phospholeine. I got a bottle, and the first dose my appetite improved and returned, pains left my lungs and chest, and I am now as well as ever. I consider that I owe the restoration of my health to Eagar's Phospholeine.

I am, dear sir, yours truly, W. C. MORRISON, Practical Engineer.

SCROFULA AND SALT RHEUM.

Dear Mr. Eagar,—I have much pleasure in giving you a record of the effect produced by the use of your Cod Liver Oil Cream. The following cases have come under my particular attention while visiting the sick and poor: A Case of Hereditary Scrofula.—The patient had tried most of the blood purifying remedies and Sarsaparillas in use, but for the past 19 years obtained no relief. After taking three bottles of your Cream (Phospholeine) his flesh became smooth and healthy, and he is now completely cured. A case of severe cough in the last stages of Consumption.—The cough was eased, and patient regained flesh and strength. This case is past curing, and the patient was pronounced so by the physicians; but had she obtained of your medicine sooner, would no doubt have been cured. A case in which the patient had given up the use of alcohol.—The craving was cured, and the patient was regaining health and strength. A case of loss of flesh, great weakness, and indisposition for exertion of any kind, has been restored to health and strength by using your Cream (Phospholeine). I have also recommended it to many who have been suffering from Dyspepsia, loss of strength and flesh, and in every case it has effected a cure. I have derived much benefit from the use of it myself.

I remain, yours &c., E. C. NEWBERRY.

CONGESTION OF THE LUNGS.

Dear Mr. Eagar,—I caught a severe cold the first of this winter, and having suffered from Congestion of the Lungs, I became somewhat alarmed. I tried the usual remedies, but they did not seem to relieve me, and not being able to take Cod Liver Oil, I thought I would try your Phospholeine, which I found very pleasant to take, and with good results, as in a few days my cold and cough left me, and I felt very much better. I can cheerfully recommend it to any person whose lungs are affected in any way.

I remain, yours respectfully, S. H. SUGATT.

COLD IN THE CHEST.

M. F. Eagar, Esq., Chemist, &c.

Halifax, March 16, 1880.

Dear Sir,—Having been attacked by a bad cold, which settled on my chest as no other cold had ever done with me before, I was induced from the many favorable reports I had heard of it, to try Eagar's Phospholeine, and am glad to say that it has completely cured me. I may say that it is a remarkably pleasant medicine to take.

Yours truly, ALEX. S. BAYER.
