THE AIR BRAKE.

How the Invention Was Suggested to a

The air brake was a creature of George Westinghouse's youth; he had invented it a quarter of a century has passed since he saw his invention applied with success to a railway train. It has gone upon record as one of the great achievements.

The air brake was suggested to him on the inspiration of the moment, but that is bility of the electric current came to Edison one summer Sunday afternoon as sity of Pennsylvania watching a majestic house had the first suggestion of the air guards to keep the patriotic horse out of break while in a railway accident. His the great pleasure ground. train was brought to a standstill, and they told him that a collision had occurred, and pliance which would give an engineer command of a train such as he did not possess | count of the park | commissioners' rule barllever. He turned this idea over in his mind, and being skiltul with his hands and having the capacity of the inventor, he constructed in a little while the first model of the air brake.

was in Chicago, and he met an inventor been announced, was the favorite and his design.

Qu-e-Vic--

EWARDS paid in cash the VERY DAY and answer is found to be correct. Each answer will be numbered as received, to be examined in the order of its number, d when found correct a New York Certified Bank Check for the full amount of whatever ward such correct answer secures will be sent the VERY DAY the award is made.

REMEMBER If you only solve one \$20 in Cash; you are not confined to any par ticular word—any one of the entire ten will bring you a \$20 cash reward—while if you are bright enough to solve more than one your reward will be increased in proportion from \$50 to \$250. Also remember that you do not have to be first, or last with your answer. EVERY correct answer for even a single word wins a splendid cash reward.

The Only Condition,

Don't send answers without subscriptions—they will receive no attention and cannot possibly win a reward even if correct. Protection. As a means to guard against even an appearance of irregularity or collusion, a copy of the original ten words selected to make up the above Word-Riddless is denosited with Mr. C. P. SMITH, Superintendent of the Jersey City Police Department, under seal, to be opened December 31, 1892, in the presence of witnesses, after this contest closes. The complete list will be printed in full in the January issues of our four papers, so that all who have not received rewards for correct The object of this extraordinary offer is, of course, to secure Subscribers at once and in large numbers. We therefore require that 50 cents for a year's subscription to some one of our papers shall be remitted with every answer. We publish four great papers: The American Fireside, The American Homestead, The American Foreside, The American Homestead, The American Foreside, The American Homestead, The American Foreside, The American Homestead, The American Homestead, The American Homestead, The American Foreside, The American Homestead, The American Homestead, The American Foreside, The American Homestead, The American Foreside, The Complete list will be printed in full in the January issues of our four papers, so that all who have not received rewards for correct answers will know wherein they failed. This method of protection is due to all concerned, and absolutely prevents everything that is not wholly honest and fair to every subscriber.

DESIGNATE THE WORDS YOU ANSWER BY THEIR NUMBERS, and be wise and send your answer at once.

Address all letters and make all remittances payable to the Treasurer of the American Publishing Co., as follows:

all, just as you arrange between yourself and those whose names you send. In every case we will pay the full amount of the re-

ward for correct answers to the person-who sends the names.
