

IT'S A RISKY PROCEEDING

to buy Soap before you've seen our Sterling Brand. Take a little sound advice and don't do it. The rule that things should be sold for what they are worth has exceptions, and this is one of them; we are asking just about what it cost to make it. We challenge contradiction when we say that it's the only offer of the kind ever made and that there's nothing in either our experience or years which bears a resemblance to it.

Soap is on the rise. Buy in time.

Mr. J. B. Kirkpatrick left last night for Vancouver, B. C., where he has accepted a position in his brother's establishment. Mr. Kirkpatrick will be much missed both by the St. John Bicycling club and the Snowflake Minstrels, being a prominent member of both clubs.

The sad news reached here on Wednesday, of the death of Miss Nellie Boucher, which occurred at Boston. Miss Boucher, who has been an invalid for nearly 17 years, went to Boston about 6 weeks ago, to be under treatment of Dr. Baker at his private hospital there. A most critical operation was performed most successfully about two weeks ago, after which pneumonia set in and proved fatal. Her sister Mrs. Ernest Peiler who resides at Hartford, Me., was with her when she passed away and a faithful and trusty servant who accompanied her to Boston.

Much sympathy is felt for her aged mother and sister Miss Edith Boucher, who being so lately cheered by good accounts of the invalid's health, will doubtless feel the shock of her unexpected death most keenly.

Miss Nellie Boucher was much beloved by all who knew her, and her patience during years of suffering was much admired. He remains were brought to St. John for interment, from her late residence Paradise Row.

Since the death of Mr. Smith she has resided in the old home on Carlton street with her daughter Miss Fannie Smith and until a few months ago, was most active and energetic notwithstanding her great age of 84 years. She leaves two daughters. One the wife of Mr. Barclay Robinson of this city and one unmarried. Mr. G. Sidney Smith being the only surviving son, Messrs Henry and Douglas Smith having died some years ago.

Mr. F. W. Boucher returned on Wednesday from a trip to Mexico.

The Misses Robertson, (Rotheray), left for New York this week to join their parents, Mr. and Mrs. James F. Robertson, who went there a week or two since for the benefit of Mr. Robertson's health, which I am sorry to hear has not much improved. He being obliged to lay up in the hospital there.
