FEB. 21 .- The death of Mr. Mark Curry occurred last week. Mr. Curry has been ill for a number of years, at times suffering a great deal, but he had wonderful energy and until the last two weeks attended to all his business himself. Much sympathy is felt for Mrs. Curry and also for his brother, Mr. William Curry, high sheriff of Hants county, who is the last of a family of eight brothers and one sister. Mr. Curry left no family and after providing for his widow and the widow of one brother and bequeathing \$10,000 to Mrs. Sidney Welton, the balance of his fortune some \$70,000 is to be given to Baptist institutions, \$20,000 being given to Acadia College to endow a chair to be called the "Mark Curry" chair. Mr. Curry's generosity to the denomination of which he was so long a member will be gratefully remembered.

The sudden death of Mr. L. K. Bennet was quite a shock to his friends. Mr. Bennet had been a resident of Windsor for a number of years and owned a good deal of property here. For a year or two he has been interested in a mill property at Berwick and resided there, visiting Windsor, however, very frequently. Mr. Bennet intended going to Berwick the morning of his death, and was only a short distance from the station when he expired. The doctor pronounced the cause of death to be paralysis of the brain. He was a much respected citizen and worthy member of the order of Oddfellows, and also of the Free Masons, by whom the funeral was conducted to-day. Mr. Bennet leaves a widow and an adopted

The friends of the family of Captain Elderkin extend their sympathy to them in the loss they have sustained in his death which occurred on Sunday morning after a few days of great suffering. Capt. Elderkin was in his usual health and at church on the Sunday before his death and the news that he had passed away, caused quite a shock to the community, coming as it did so swiftly on the announcements of the other deaths. Capt. Elderkin was an exemplary christian and his loss will be felt not only by his own family but also by his friends and

FEB. 16 .- Shelburne has been more than usually

gay this last week. Mrs. John McGowan gave a small and select dance Monday evening, at which many pretty gowns were worn. The hostess, in her usual charming manner, made the evening pass off most pleasantly. A very pretty wedding was celebrated at the house of Mrs. Manning on Tuesday afternoon, when her daughter, Miss Jane S. Manning, and Mr. K. G. Mythe, were united in the holy bonds of matrimony. Immediately after the ceremony the happy couple left for Yarmouth, en route for Florida,

where they will spend the remaining winter months. The quadrille club had its usual weekly meeting on Tuesday evening. In spite of the inclemency of the weather the attendance was large and the music and dancing thoroughly enjoyed by all present.

Thursday evening the firemen of Shelburne gave their annual ball in the spacious hall over the engine room, which was elaborately decorated for the occasion. Excellent music was furnished by the Shelburne brass band, and dancing was continued until the "wee sma' hours." The bright uniforms worn by the firemen, contrasting with the evening dresses of the ladies, made the scene a brilliant one.

Mr. A. M. Hemeon, M. P. P., for Queens, made a
flying visit to town last week in the interests of the

Each pancake was neatly rolled in tissue paper and two of them contained a plain gold ring, a sure forerunner of matrimony to the lucky drawer. True to the old proverb "Un. lucky at cards, lucky in love," the booby got the ring and to the rest were given the most alluring promises of money and matrimony, intermingled
