The children of the Methodist Sunday school, are to have a Christmas tree and entertainment, on Friday evening, when the little ones are anticipating a rare and festive hour or so.

Miss Miranda Doherty, who has been an invalid for more than a year, died on Monday morning at the Lansdowne. Deceased was a member of the Methodist church, and a teacher in the Sunday school, and will be very much missed by the congregation, as she was a willing and energetic workman, was a very handsome wreath of roses, sent by the ladies of the congregation. The funeral which took place this afternoon, was one of the largest seen for some time, testifying to the respect and esteem in which deceased was held. Rev. Mr. Mathews pastor of the Methodist church, conducted the service, and the united choirs of several churches assisted in the singing, which was sweetly rendered and appropriate.

Mr. Joseph Doherty, of Escuminac, P. Q., is in town today.

After last Saturday's heavy storm our sidewalks are nowhere to be found. While passing down the street (in the middle of course) I overheard a conversation between two of the ladies remarked, "What a great favor the town council would confer on the public if they would make a search for the lost sidewalks."

Ere this letter reaches PROGRESS, Miss Evelyn Gerrard will have been transformed into Mrs. J. Oatman. The ceremony takes place this evening and I hope to give an account next week.

We are also on the qui vive for another wedding which is to take place at St. Andrew's church on Christmas night.

THE AMERICAN \$8.00 Typewriter. This is a well-made, practical machine, writing capitals, small letters, figures, and punctuation marks (71 in all) on full width paper, just like a \$100 instrument. It is the first of its kind ever offered at a popular price for which the above claim can be truthfully made. It is not a toy, but a typewriter built for and capable of REAL WORK. While not as rapid as the large machines sometimes become in expert hands, it is still at least as rapid as the pen and has the advantage of such simplicity that it can be understood and mastered almost at a glance. We cordially commend it to helpful parents and teachers everywhere.

Writes capitals, small letters, figures and marks—71 in all. Easy to understand—learned in 5 minutes. Weighs only 4 pounds—most portable. Compact, takes up but little room. Built solid and simple, can't get out of order. Capital and lower-case keyboard alike—easily mastered. More "margin play" for the small letters which do most of the work. Takes any width of paper or envelope up to 8 1/2 inches. Takes good letter-press copies. Packed securely in handsome case and expressed to any address on receipt of price—\$8.00, in registered letter, money order or certified check. We guarantee every machine and are glad to answer all inquiries for further information.

For the Good of Others

Rev. Mr. Williams heartily endorses Hood's Sarsaparilla. We are pleased to present this from Street A. A. Williams, of the Sillsbee Rev. Christian Church, Lynn, Mass.: "I see no reason why a clergyman, more than a layman, who knows whereof he speaks, should hesitate to approve an Article of Merit and worth, from which he or his family have been signally benefited, and whose commendation may serve to extend those benefits to others by increasing their confidence. My wife has for many years been a sufferer from severe Nervous Headache for which she found little help. She has tried many things that promised well, but had no success. Last fall a friend gave her a bottle of Hood's Sarsaparilla. It seems surprising what simply one bottle could and did do for her. The attacks of headache decreased in number and were less violent in their intensity, while her general health has been improved. Her appetite has also been better. From our experience with Hood's Sarsaparilla I have no hesitation in endorsing its merits." A. A. WILLIAMS. HOOD'S PILLS are the best family cathartic, gentle and effective. Try a box. Price 25c.
