ST. STEPHEN AND CALAIS.

[Progress is for sale in St. Stephen by Master Ralph Trainor and at the book store of G. S. Wall in Calais at O. P. Trevel's.]

Oct. 11.—Friday was such a golden autumn day, so warm and sunny, a party of ladies decided to drive to Wellesboro, and dine on the shore at Oak Bay. Arrangements were quickly made and eleven o'clock two double carriages wended their way towards Oak Point Farm, arriving shortly after noon. Preparations were made for a sumptuous dinner. Lively conversation and bright discussions over fancy work, helped the afternoon to be only too short and the evening shadows began to darken the beauty of the bay. A huge fire was then built in the old-fashioned fire place, a log fire filled with logs hung on the crane. In a short time every one was indulging in the sweets of a genuine camp fire, which made so much fun, was the chief feature of the occasion. This was the most pleasant and most enjoyed of any of the autumn outings, and those who were there hope to repeat it again this week. The ladies who enjoyed this happy day were Mrs. C. H. Clarke, Mrs. T. J. Smith, Mrs. A. S. Burdette, Mrs. James Mitchell, Mrs. W. F. Todd, Mrs. John E. Agur, Mrs. Waterbury, Miss Abbot, Miss Florence Mitchell, Miss Winifred Todd and Miss Mabel Agur.
