IS THE BEST. TAKE NO OTHER. [Illustration of a man carrying a large fish on his back]

DYSPEPSIA AND INDIGESTION

Dear Sirs,—for several years past I have suffered everything but the best doctors in Boston spending over ONE HUNDRED DOLLARS for medicines without getting the slightest relief, but on the contrary was worse than when I employed them, and had given up all hope of ever getting better, and felt that death was at hand, a great relief, I came to St. John about three months ago, and a lady friend seeing my intense suffering, told me to get at once HANINGTON'S QUININE WINE and Iron, and Tonic Dinner Pills, as she had been troubled in the same way, and HANINGTON'S QUININE WINE and Iron taken with the Tonic Dinner Pills, had perfectly cured her. I thought it would be like all the other medicines I had taken—of no benefit to me; and I was careless about getting them, but she insisted, and I tried them. To my great astonishment after using them for a few days, I commenced getting better, and now I feel like a new person, well and strong, free from Indigestion or Palpitation of the Heart, and able to do my daily work as well as anyone, and I have great pleasure in recommending your medicines to the afflicted. Yours truly, MARY GULLIS.

IMITATIONS of this popular medicine are in the market, but HANINGTON'S is the original and genuine. Do not be deceived by traders on its reputation, but always insist on getting HANINGTON'S—wholesale Druggists at the Maritime Provinces and Montreal supply the trade. All Retail Druggists sell it.
