The scene of the feast was the Brunswick hotel, and the committee in charge of the management consisted of Mayor Sumner, chairman; W. W. Wells, Q. C., Dr. E. B. Chandler, Messrs. J. R. Bruce, J. L. Shortly after nine o'clock, some 60 guests sat down to a repast which reflected the utmost credit upon the cuisine of Hotel Brunswick, and should have been worthy of note in a larger city than Moncton. The chair was taken by Dr. McCully, in the absence of the Mayor, who was prevented by illness from being present.

Deaf for a Year

Caused by

Catarrh in the Head

Catarrh is a CONSTITUTIONAL DISEASE, and requires a CONSTITUTIONAL REMEDY like Hood's Sarsaparilla to cure it. Read:

"Three years ago, as a result of catarrh, I entirely lost my hearing and was deaf for more than a year. I tried various things to cure it, and had several physicians attempt it, but no improvement was apparent. I could distinguish no sound. I was intending putting myself under the care of a specialist when some one suggested that possibly Hood's Sarsaparilla would do me some good. I began taking it without the expectation of any lasting help. To my surprise and great joy I found when I had taken three bottles that my hearing was returning. I kept on till I had taken three more. It is now over a year and I can hear perfectly well. I am troubled but very little with the catarrh. I consider this a remarkable case, and cordially recommend Hood's Sarsaparilla to all who have catarrh." HERMAN HICKS, 30 Carter Street, Rochester, N. Y.

The violin recital on Sunday evening given by the pupils of this department under the leadership of Miss Ayer was largely appreciated by the large and fashionable audience which filled Beethoven Hall. The different pieces were well given and Miss Ayer certainly has great reason to feel proud of her pupils.

The opening piece, waltz by the orchestra was well played, the time being perfect. Miss Dorothy Webb and Miss McEwen played their difficult selections in a splendid manner and the mazurka by Mr. Beckwith did him great credit.

Miss Lulu Robb and Mr. Raymond Archibald, carried off the honors of the evening in their first piece, "Traum Der Sehnen," they were twice recalled and certainly played beautifully. Miss Robb's rendition of Tarantella (Allan), with piano accompaniment was a finished piece of work and the Serenata by Mr. Raymond Archibald, Miss Robb, and Miss Ayer was the piece de resistance of the evening.

Much sympathy is felt for Mr. Harper of Middle Sackville, in the loss of his wife, who died on Saturday afternoon, of a heart ailment. Mr. Harper was dearly beloved by all who knew her.
