HALIFAX.

In giving an account of this week's festivities one is obliged to go back to the very pleasant and successful dance given by Mrs. Henry on Friday evening. This was in every way a most excellent entertainment, being most beautifully done and arranged in every way.

The ceremony was performed by Rev. S. Laing, assisted by Mr. Bogue's father, Mr. A. W. Bogue. Mr. Bogue left immediately after the wedding breakfast, and will probably visit the Chicago exhibition.

Mrs. Townsend's dance on Tuesday evening was a very delightful one. Two or three new gowns made their appearance, one particularly pretty white one. Mrs. Townsend wore a charming gown and looked very well, while both she and Miss Townsend made capital hostesses.

The house was very well arranged for the dance, and the wet evening did not affect its success in the least.

On Wednesday evening Lady Hopkins gave a small dance at Admiralty House. Among the ladies were some non-Haligonian ladies, of whom there seemed always a fresh crop every summer.

Invitations were issued for Thursday afternoon by Captain Hamilton and officers of H. M. S. Edgar, at an afternoon tea and dance. This is the first ship's dance of the summer, a state of things which would have seemed peculiar some ten years ago.

On Friday evening a good many people had been asked to a small dance at the Commodore's house in H. M. Dockyard. Very pretty dances have been given there in the past and that of Friday evening will probably not be behind them.

CHARLOTTETOWN, P. E. I.

SEPT. 19.—About the only social event of note this week was the party at Mount Edward given by Mrs. Charles Palmer.

This old country house is built of stone and is situated two or three miles from the city. It is the former residence of the Jarvis, Mrs. Palmer's family, and is quite an interesting place. It is one of the few remaining structures that the island can boast of as a sample of the comfort and durability an old time house possessed.

The Palmer family have long since vacated the old place, but every now and then do the walls echo to the sounds of music, and the light feet of merry dancers trip through the halls, and the voices of young people make the rooms resound. The rooms are prettily decorated with flags, curtains and red berries, of whatever flowers the season may offer, and no one would suppose for a moment that they are deserted perpetually except for a merry-making. These dances are given, I think, about once a year, and I was nearly forgetting that the house is so far complete in its resemblance to the houses we read about, that it boasts of a "family ghost."

As I have never made the acquaintance of his ghostship, I cannot vouch for the truth of the assertion, but he is said to be there, only he does not favor parties with his presence. The dance held at Mount Edward last Thursday was quite a pleasant one, a new feature called a "grab dance" being introduced, which was very funny, only I think that the old man must have decidedly felt that he was "not in it" when he was left alone. At any rate, the "romp," as the party each year is generally called, being taken advantage of in every way, was enjoyed as much as possible.

Mrs. Stephen Lursbey, who was shortly to have left for England, has met with a serious accident, which will compel her to remain on the island for some months at least. Her many friends hope that the accident will not prove as serious as is anticipated at present.

Mrs. and Mrs. Scott have gone on a visit to Boston. They left last Thursday on the "Carroll."

Mr. and Mrs. Irwin have returned from their wedding trip, and have settled down to the comforts of home life.

Dr. and Mrs. Bagnal have also returned. They came by way of Pettaud last Tuesday.

Mr. W. L. Strickland returned from Bangor last night on the "Carroll."

Miss Russell's school for girls has unfortunately had to be closed for an indefinite time. This is to be regretted, as the school was a very good one, and it is to be hoped that it will be opened in every way to the advantage of the town.

I see by the Guardian this morning that "the ladies and gentlemen, and under Mr. A. G. P. management, so successfully presented the play of 'Esmeralda,' have kindly consented to open the Masonic Temple opera house, on the 25th and 26th October. The drama chosen for the opening is 'A Russian Honey-moon,' adapted by Mrs. Burton Harrison.

The city is expecting a rare treat when the promised performance by the Swedish Quartette is given.

A very sad scene was witnessed yesterday, when the bodies of two sisters who had died from fever, were carried together to their final resting place, and were laid side by side in the one grave. They were victims of the epidemic, and the father and mother, Mr. and Mrs. A. Martin, have the sympathy of the community.
