BARNABY RUDGE.

A Boston Boy's Eyesight Saved—Perhaps His Life

By Hood's Sarsaparilla—Blood Poisoned by Canker.

Read the following from a grateful mother:

"My little boy had Scarlet Fever when 4 years old, and it left him very weak and with blood poisoned with canker. His eyes became so inflamed that his sufferings were intense, and for seven weeks he

could not open his eyes. I took him twice during that time to the Eye and Ear Infirmary on Charles street, but their remedies failed to do him the faintest shadow of good. I commenced giving him Hood's Sarsaparilla and it soon cured him. I have never doubted that it saved his sight, even if not his very life. You may use this testimonial in any way you choose. I am always ready to sound the praise of

Hood's Sarsaparilla because of the wonderful good it did my son.

The great bazaar picnic on July 1st, is engaging the attention of our citizens, as several new and unique features will be on the programme. It promises to be one of the greatest events of the kind ever held here, and preparations began six or eight months ago. The proceeds are for the new church of England edifice.

The Wallace Hopper company which played three nights recently, is about the best that ever played here. They have improved wonderfully since their first appearance in this town, two years ago.

Miss Robinson is an exceedingly graceful and clever leading lady, and always plays the parts assigned her in a most acceptable manner; while Mr. Hopper does his work in a most clever and perfectly natural way. His line of comedy is free from any objectionable features, and he always receives a great deal of applause from a well-pleased audience. The other members of the company give excellent support, and Springfield will always be glad to welcome Mr. Hopper, and his talented company.
