

**Did You Ever**

Consider how great were the reductions in the prices of our **COLORED DRESS GOODS**. Perhaps plain figures would force the immensity of these reductions more forcibly upon the minds of those who have not as yet considered them. For instance:

**Regular Price,**

6 yds. @ 75c. - - - \$4.50.

**Reduced Price,**

6 yds. @ 25c. - - - \$1.50.

This shows a gain of \$3.00. We would say, therefore to those who advocate hard times and scarceness of money,
