St. John—South End.

The death of the late lamented Governor has of course put a stop to any gaieties during this week. There is but one feeling throughout the city and that is the deepest sorrow and this sudden calamity will be equally felt by all circles of society as it is politically.

Miss Florence Shattford, who has been visiting St. John, has returned to her home at Hubbard's Cove, N. S.

I hear that Mr. A. C. Thomson, formerly of the Bank of Montreal in this city, has resigned his position and therefore will not be to St. John. Mr. Thomson has so far recovered his health as to be able to travel and is now visiting places of interest in England and the continent.

The sudden death of Miss Eina Clark, daughter of Rev. W. J. Clarke, which occurred on Saturday last, was heard with deep regret as only on the Wednesday previous, she was in her place at the high school. Miss Clark was 14 years of age. The funeral which took place from her father's residence, Padlock street, on Monday afternoon was very largely attended. The sudden death of this bright young girl aroused the deepest sympathy for her bereaved parents and brought together a large concourse of people to follow her remains to their last resting place. The pallbearers were Messrs. Ernest DeMill, Tully Morrill, Ernest White, Harry Case, Herbert M. and Mrs. Ernest Colwell. Many beautiful floral tributes were sent by relatives and friends, including a wreath from the girls of the high school and a crescent from her teacher and class mates of the F. C. B. Sunday school.
