The event of last week was, of course, the "at home" given by her excellency the Countess of Aberdeen, on the ground of the Admiralty house Saturday afternoon. The guests included all those present at the drawing room, as well as those who had written their name in their excellencies' book of callers. Beside these about forty children had been invited to meet the children of the Countess. The afternoon was perfect, and the Governor General and Lady Aberdeen received their guests under the shade of a large and beautiful tree that stood near the south-east corner of the house. The "at home" began at half past three and for about two hours the stream of visitors continued. After the duty of receiving was over, their excellencies minged with the guests and did all in their power to contribute to their pleasure and enjoyment. Refreshments were served in the dining and ball rooms of the house. Special amusement were provided for the amusement of the children. The party began to disperse shortly after six o'clock, and all agreed that it was the most successful "at home" ever given

WINDSOR.

[Progress is for sale in Windsor at Knowles' Bookstore and by F. W. Dakin.]

Aug. 29 .- I was too late to send any notes last week, but as a matter of fact there was little to recount. The only event of any importance was the tennis match played against Kentville on Saturday afternoon the 18th, on the club grounds here. There were several visitors from Kentville beside the players, and an unusual large and bright assemblage of Windsor people. It was well that the committee had completed the erection of a grand stand really designed to accommodate the visitors at the September tournament, as there must have been nearly one hundred spectators on Saturday, The glorious weather, well arranged tea and last but not least, the excellent play, combined to make it both interesting and amusing. The Kentville teams were Dr. Moore and Mr. Neary, Messrs. Mellish and Robertson, the Misses Lovett, Miss Brock and Miss Munro, being met by Messrs. Paulin and Ouseley, Messrs. F. Dimock and Hensley, Miss Wiggins and Miss Paulin, Miss Kate Smith and Miss Forsyth. The match ended in a victory for the visitors, whose play was good throughout. The Lovett sisters especially distinguished themselves, playing a game both pretty and scientific and thoroughly understanding each other. Messrs. Dimock and Hensley made the best stand for the home club, winning two sets out of three in excellent style. The tea tables were presided over by Mrs. Drysdale, Mrs. Paulin and Mrs. Clarence STEINWAY, CHICKERING, NORDHEIMER PIANOS. LIBERAL TERMS, BEASONABLE PRICES. Yesterday morning everyone turned out to meet Lord and Lady Aberdeen, who stopped at the sta-tion an hour or so to receive an address from the mayor.
