Hood's Cured After Others Failed Scrofula in the Neck—Bunches All Gone Now.

"C. I. Hood & Co., Lowell, Mass. 'Gentlemen:—I feel that I cannot say enough in favor of Hood's Sarsaparilla. For five years I have been troubled with scrofula in my neck and throat. Several kinds of medicines which I tried did not do me any good, and when I commenced to take Hood's Sarsaparilla there were large bunches on my neck so sore that I could not bear the slightest touch. When I had taken one bottle of this medicine, the soreness had gone, and before I had finished the second the bunches had entirely disappeared.' BLANCHE ATWOOD, Sangerville, Maine. N. B. If you decide to take Hood's Sarsaparilla do not be induced to buy any other. Hood's Pills cure constipation by restoring the peristaltic action of the alimentary canal."
