Broken in Health

That Tired Feeling, Constipation and Pain in the Back

Appetite and Health Restored by Hood's Sarsaparilla.

Mr. Chas. Steele

St. Catherine's, Ont.

"C. I. Hood & Co., Lowell, Mass."

"For a number of years I have been troubled with a general tired feeling, shortness of breath, pain in the back, and constipation. I could get only little rest at night on account of the pain and had no appetite whatever. I was tired in my limbs and I gave up before half the day was gone. I tried a great number of medicines but did not get any permanent relief from any source until, upon recommendation of a friend, I purchased a bottle of Hood's Sarsaparilla, which made me feel better at once. I have continued its use, and have taken three bottles, and I feel like a new man."

I have a good appetite, feel as strong as ever I did, and enjoy perfect rest at night. I have much pleasure in recommending Hood's Sarsaparilla. CHARLES STEELE, With Erie Pressing Co., St. Catherine's, Ontario.
