St. John—South End.

Governor Fraser and Mrs. Fraser spent this week in St. John, on Wednesday night they were entertained at dinner by Sir Leonard and Lady Tilley at Carlton house.

H. M. S. "Blake" and H. M. S. "Tartar" arrived in port this week and our city has seemed more lively than usual as the advent of a Man of War always has that effect and it is not to be wondered at if we feel a little jealous of our sister city, who is more fortunate than we in always having the jolly tars among them. I hear of several entertainments on the tapis, principally dinners to be given in honor of the admiral and officers. Last night a very handsome and enjoyable dinner was given in their honor by Mr. W. H. Thorne at his residence Mecklenburg street, where several of our most prominent citizens were invited to meet them.

Toward the close of the evening Mr. Charles McMichael made a charming speech in praise of Mrs. Wade many happy returns of the day.

DeSoyes in the presence of many of the friends of the contracting parties. Miss Gertrude Davidson, sister of the bride, acted as bridesmaid, and Mr. Walter Clarke was groomsmen. A reception was held after the ceremony. The bride received many handsome presents, among them being a solid silver tea service from Mrs. Turnbull and a cheque for a large amount from Mr. Turnbull. The groom's present was a handsome gold watch with the letter "T" engraved on the case. Mr. and Mrs. Turnbull left on the C. P. R. express for Montreal, whence they will sail for Germany.

The friends in this city of Mr. and Mrs. Peter Duquet, of Stoneham, Mass., will sympathize with them in the loss of their son, Charles Edward, whose death occurred on the 24th instant, at the residence of his parents Emerson street, after fifteen days illness. Master Duquet had won many friends by his warm genial manner, and much sorrow was felt at the news of his death. The deceased was a student and first sergeant in the high school cadets, and would have graduated in the class of '96. The funeral was held on Monday morning at St. Patrick's church, and Rev. D. J. Farrell conducted the services. The high school cadets escorted the procession and the usual military salute was fired over the grave. Resolutions tendering their sympathy to the bereaved family were passed by the Stoneham Cycle club, of which he was a member.

MAY 30.—Everyone who attended the parlor concert at the Deaf and Dumb institution last evening for the benefit of the Sunday school, at Morrison's mills, was more than charmed with the success of the entertainment. Mr. and Mrs. Woodbridge, who are always the most hospitable of entertainers, received their guests with their usual cordiality and made everyone feel at home. The concert was held in the large entrance hall of the Institute, which was beautifully decorated with evergreens and high banks of violets, the staircase being especially beautiful in decoration. The first number on the programme was a piano duet by Miss Carman and Prof. Bristowe, which was much enjoyed. A song by Miss Florrie Powys was the second number. Then Prof. Downing favored the audience with a song, and received a hearty encore. Then a vocal duet, "Yuletide Hues," by Mrs. John Black and Prof. Bristowe, received much applause. A song by Miss Emily Macdonald was very sweetly rendered, Miss Macdonald fairly excelling all her former efforts.

A novelty, a piano trio, on one instrument, by Prof. Bristowe, Mrs. John Cameron and Miss Carman, "Le Barbier de Seville," the names of the performers is sufficient a guarantee for the excellent manner in which this piece was given to the audience. Prof. Downing next gave a song, and then Mrs. John Black, sang "Thy Kingdom of Love" which was perhaps the gem of the evening, her rich full voice showing to great advantage. A violin and piano duet by Miss Daily and Mrs. Black was beautifully given. The final number a song by Mr. Bristowe, was heartily encored. A pleasant part of the evening's entertainment was the presentation by Rev. Mr. McCully, on behalf of the teachers of the Sunday school, of a beautiful bouquet of roses and carnations to Mrs. Woodbridge in recognition of her kind aid in getting up the entertainment. After the close of the performance Mr. and Mrs. Woodbridge entertained the performers and a few friends to a dainty supper. Much credit is due Miss Etta Black and Miss Tippet who were so indefatigable in their efforts to make the evening not only pleasing but profitable, the sum realized was in the vicinity of \$20.
