

WHAT IS DR. LAVIOLETTE'S SYRUP OF TURPENTINE?

TURPENTINE is a volatile essence extracted from the health giving pine tree. Its effects when used as a lotion or liniment are well known, but though long recognized as a powerful and wonderful healing properties its too stimulating action on the digestive organs and kidneys has prevented its use as an internal remedy. How to prepare it rendering it safe and easy to take as a medicine, while still preserving its curative principles, has been a puzzle to chemists for generations. This chemical formula has at last been solved by Dr. Laviolette after numerous experiments and an experience of 25 years as a practical chemist. He has succeeded in compounding a syrup whose active principle is turpentine, with all its curative and health giving properties intact, but with its irritating effects neutralized and removed.

By the use of DR. LAVIOLETTE'S SYRUP OF TURPENTINE the cause of the malady is from the first attacked. No narcotics or poisons enter into its composition, it is as safe for the youngest child as for the robust and healthy man. It does not drug the patient and trust to nature for a cure, but the wonderful healing balm of the turpentine is carried in the blood right to the sore spot which it at once soothes and a permanent cure is the result.

BEWARE.—Since the great success of Dr. LAVIOLETTE'S SYRUP OF TURPENTINE many unscrupulous persons offer for sale, or prepare for their own use a concoction of syrup and raw spirits of turpentine, which dangerous imitation they palm off as "the same" or "just as good." Remember, it has taken Dr. Laviolette many years of labor to discover the secret of rendering turpentine harmless to the human system. He is the only person in possession of this great secret, the before said dangerous imitations. Get nothing but the genuine DR. LAVIOLETTE'S SYRUP OF TURPENTINE.

St. John's church was very prettily decorated yesterday for the Christmas service and reflected great credit on the ladies and gentlemen who worked so ardently on Monday. The music was not of that high order usually heard here on festival occasions, the choir having lost their organist Mr. G. B. Falkner, whose final resignation has been in effect for some weeks. Both baptist churches had fine music, both vocal and instrumental. In the methodist church the choir excelled themselves and Mrs. Reynolds' Voluntarys, were very favorably commented on. In the evening in St. Andrews, the "Recitative and Aria" by Rev. E. H. Sears, which has been set to music by Mr. E. R. Stuart, was beautifully rendered by Miss Lida McCully, an anthem by Caleb Simper, and "Sing O' Heavens" by Ambrose.
