Billous From Childhood,

Rev. Benjamin Hills, Pugwash, N. S., writes: "In a word I may say that K. D. C. has helped me more than anything else I have ever used. I have been bilious from childhood; for several years had rarely passed a week without a severe attack of bilines of the several week without a severe attack of bilines of the several week without a severe attack of bilines of the several week without a severe attack of bilines of the several week without a severe attack of the several week without a severe attack of the several week without a several week without we were well as we rarely passed a week without a severe attack of bilious colic, with intense pain at the back of the head. These attacks usually followed my Sunday work. Since I began to use the K.D.C., I have scarcely had any return of biliousness and the attacks have been very light. I have had greater freedom from suffering since I began the use of K. D. C., than for years past. I believe that the occasional use of a bottle of K. D. C., will keep me comparatively free from the old trouble. I thank you for calling my attention to K. D. C. Had I tried it long ago it might have saved me years of suffering. I am glad to recommend it to fellow sufferers. where she will study elocution with Miss MacMil-
