## Do You Drink Tea?

Everybody--or, to be more exact--nearly everybody drinks tea, and the flavor of that article is one of the little things that make life more or less pleasant.

We have three grades of three kinds of tea. The Pure Black, which some people like above all others, can be bought for 20, 24 and 30 cents. Then there is the Oolong, of delicious flavor, at 35, 40 and 50 cents. While the mixed--most popular of all--sells for 30, 35 and 40 cents.

We can recommend all of these, but more especially the mixed tea. Of course all other groceries are in stock now and always--prices and quality right.
