I tried a great number of medicines but did not get any permanent relief from any of them."

"I feel like a new man."

"I have a good appetite, feel as strong as ever I did, and enjoy perfect rest at night. I have much pleasure in recommending Hood's Sarsaparilla."

"FOR THE CURE OF COLIC, BRUISES, AND ALL AFFECTIONS OF THE STOMACH AND LIVER."

"Taking Cold is alone the cause of one-half of the diseases that afflict our race." So writes the great London physician, Dr. Hay.

The first sensation of a cold, after exposure, is paleness, chilliness and diminished sensibility. Then follow chills and shivers with "goose flesh," a disposition to put on extra clothing, to creep towards the fire, to take stimulants and hot drinks, succeeded by flushes of heat, with thirst, loss of appetite, headache, &c.

Unless checked a Hard Cold, Grippe or even Pneumonia may develop.

Dr. Humphreys' Specific "77" will "break up" a Cold from the first chill or shudder to the most obstinate Cold that can be contracted.

"77" cures Grip, Influenza, Catarrh, Pains and Soreness in the Head and Chest, Cough, Sore Throat, General Prostration and Fever.

No person ought to be without a bottle of this invaluable preventive and cure, nor to neglect to take it on the slightest suspicion of a Cold.

The praises of Dr. Humphreys' Specifics are everywhere.

On Every Tongue.

H. B. Downey, 42 West 98th St., New York writes: "I have for years used your valuable Specifics. Have taken '77' for GRIPPE and found most wonderful relief, and can spread the good tidings far and wide. HUMPHREY'S SPECIFICS have been my physician for years."

G. A. Grottenberger, 732 15th St., Detroit, Mich. writes: "I have used your Specifics in my family for years and have always found them reliable. Have used them for ERYSIPELAS, FEVER, INFLAMMATION, DYSPEPSIA, MEASLES and WHOOPING COUGH with the best of results. We have not had to call a physician since we commenced to use your Specifics."

Mrs. Jas. A. Gordon, Hauppauge, L. I., writes: "77" has proven an excellent remedy for COLDS, John W. Wardie, Druggist, Westwood, N. J., writes: "I carry your Specifics in stock. Last spring No. 20 was just the thing for WHOOPING COUGH, sold several dozen."

Mrs. Sheldon, Emporium, Pa., writes: "I cured one of my neighbors of SCIATICA RHEUMATISM (she was helpless and could not walk without screaming) with No. 1 for FEVER and No. 15 for RHEUMATISM. The third dose she took she was relieved of the sharp pain."

THE SCALE on the front rail is helpful in tabulated work, and its use is generally well understood.

THE KEYBOARD is the universal arrangement, the same as used on the other machines. Each character has its own key—no shifting for capitals, etc.
