

Sure Cure of Nasal-Catarrh

DR. LAVIOLETTE'S ANTI-CATARRHIC BALM is a preparation unequalled by any other for its efficacy; being carefully prepared and compounded from the very best ingredients, it never fails to produce good results.

Even in those rare cases where the malady is too far advanced to be completely cured, its use in every instance will be of much benefit, and the patient will experience great relief. If you are suffering from headache, loss of taste or smell, sensation of heaviness in the ears, ringing noises, partial deafness, choking of the nose and throat, hawking and inclination to vomit, particularly in the morning, predisposition to cold in the head, sneezing, burning pains at the back of the throat—remember that each of these states is a symptom of Catarrh which so often produces consumption. If you use DR. LAVIOLETTE'S ANTI-CATARRHIC BALM you will be cured and escape consequences which may so seriously affect the throat, the bronchial tubes and the lungs.

DIRECTIONS: Insert in each nostril a quantity of the Balm equal in size to an ordinary bean and snuff it up. Use it freely as it is harmless.
