The Celebrated French Actor.

The features of Mounet-Sully are familiar to Canadians, as the great actor, during his American tour, played to delighted audiences in this country. Mounet-Sully mimics the passions to the life, and there is a subtlety, an intellectuality in his delineations which places him in the front rank of great players. Mounet-Sully is a patron of the famous "Vin Mariani," and it is thus that great actor speaks of it :-- " When we drink it, we sing, are gay, we love, we dream of the future, of glory, of the infinite. In fact, nothing can be better for strengthening than 'Vin Mariani.'" And this is the universal testimony, that this famous tonic coca wine nourishes and strengthens when all else fails, building up the nervous and debilitated system, driving away the blues and all despondency, and giving a new lease of life to those who were disposed to cultivate a morbid pessimism. If you desire to know something about the celebrated persons who have spoken admiringly of "Vin Mariani," send your name to Lawrence A. Wilson & Co., Montreal, and they will send you an aibum containing their portraits, free.

We challenge the trade in general to prove that the brands we are offering at \$3.00 and \$4.00 are not the equal of those they have been and are now selling at double the price. If your dealer does not keep them, write for particulars and price list to the Bordeaux Claret Company, 30 Hospital Street, Montreal.
